Bring on the HOLIDAYS!

We've always loved the holidays and even though there'll be slightly less hustle and bustle this year, we're enjoying the opportunity to create some fun new traditions. While we've often photographed our holiday catalog at Kevin and Barbara's annual caroling party at their townhouse on the Upper East Side, we've put that beloved tradition on hold. Instead, we gathered a small cadre of trusted friends and drove up to Deer Mountain Inn, an 1880 Arts & Crafts lodge in the Catskills. Between the luxe-rustic décor (including a sparkling silver Airstream!), the delicious, locally-foraged food and the invigorating mountain air, our photo shoot was a wonderful beginning to a holiday season brimming with comfort, joy and gratitude.

HAUTE Chocolate

We've definitely got sugarplums dancing in our heads, since our rich winter palette reminds us of Deer Mountain Inn's luscious blondie chocolate tart topped with burnt marshmallow!
