GRATITUDE

I wanted to take a moment to say thank you to all who have reached out to check on me during my time with COVID. It has been a mild case and I am soon to be back in action. I appreciate your prayers and I am grateful for all who have stepped up to handle the church happenings. Your willingness to fill in with services, our ministries, readings, and anything else is an example of love that our gospel speaks of so often. It makes my heart smile as I am sure that it is glorifying to God. Thank you. -Allan+
