Calling All Veterans!

As a part of our Veterans Day recognition, we are preparing a video of our own veterans at FPC. If you served in the military, we would love it if you would send us a photo of you in uniform, and a fairly recent photo of you (so folks would recognize you). If you already have a digital version, you can send it to Mike Smith via email at mike@fpchainscity.org, or take a good, clear picture of your photo or bring it by the church and we can scan it here. And, just as importantly, we would like you to share a brief story about your time in the military, or a particular event that was important to you during your service. We'd like to receive these by this week. Thank you for participating in this project, and thank you for your service!
