### **Mission Moment...Ecuador 2022**

Ecuador completely changed my definition of love, by spending a week in the world of those children I was taught that love is endless through faith. I watched how God used kids in unfortunate circumstances to spread the idea that love comes everywhere, and no matter what you're given in life, faith gives you an everlasting joy that cannot be found anywhere else in the world. Every single child welcomed us with open arms and saw the world as a place full of opportunities for the love of God to be seen. Although my heart breaks for every one of their circumstances, I was taught that even the worst of situations can be used to spread love and joy throughout the world as long as God is in your heart.
