### *Why Alcott?*

Alcott is an outstanding neighborhood school, performing within the top 3% of schools in Illinois. At Alcott, we focus on intellectual and social-emotional development, and offer a supportive community for students and their families.

### *When to enroll?*

If you live within Alcott boundaries and plan to enroll your child in Kindergarten for the 2024-25 year, please do so before June 6 if possible. Early enrollment helps with class size and staffing plans, and gives your family the chance to participate in Kindergarten summer activities.

Enrollment forms are available on Alcott's website. Please contact Alcott's school clerk with any questions (773-534-5460 or [mecortes1@cps.edu](mailto:mecortes1@cps.edu)).
