To: Golf Scholarship Applicant
From: Don Sackett, Scholarship Chair CNSGA
Date: December 30, 2020
Subject: 2021 CNSGA Golf Scholarship

The purpose of this letter is to inform you that our CNSGA Board has voted to continue the Central Nebraska Senior Golf Association scholarships ranging from \$500 to \$1000. These scholarships are awarded annually to high school seniors excelling in the game of golf in our district. The scholarships are based solely on golf involvement and achievement.

Your counselor, coach, AD, and principal have been sent the information you will need to fill out the application for this scholarship. This information includes this letter, the 2021 Player's Scoring Guide, and the 2021 Golf Scholarship Application form.

Deadline for receiving applications will be March 1 for GIRLS and June 10 for BOYS. Applications post marked after March 1 for girls and June 10 for boys will not be considered. Announcement of winners will come shortly after the application deadline. Please be sure to **mail** to the address below the **2021 Golf Scholarship Application, the 2021 Player's Scoring Guide, two letters of recommendation, and a personal photo in the same mailing. Please be advised that sending information by Certified Mail, priority mail, or first class mail is not necessary and not recommended. Just be sure it is postmarked by March 1 for girls and June 10 for boys. Also, please be sure information is in the same mailing.** Upon receiving the application, you will receive an immediate email acknowledging your application was received.

Please DO NOT attach any personal copies of golf meet results. Only fill out the 2021 Scoring Guide and application form. If you need more space on the scoring guide than provided, please use the reverse side using the same format. The 2021 Scoring Guide will only be used to score each candidate and not personal information. **Personal result sheets will be discarded.** Ninety five percent of the scoring for the golf scholarship will be based on the athlete's achievements in golf. You are encouraged to fill in any Junior Golf, Nebraska State PGA and/or National competition events beginning with **the summer before your freshman year of high school.** Please fill out this scoring guide with the help of your coach and parents. Please list the event under the correct heading, the grade (Gr.) you were in during competition and the place (PL.) or order of finish (1st, 2nd, 3rd, etc.) at each tournament. The scoring committee will assign points (Pts) to each event using the Pts. Column. **Please do not mark in this column. This column is for committee use only. After completing the 2021 Scoring Guide, please be sure to have your parent/guardian, golf coach, and high school counselor sign the scoring guide in the designated signature lines.**

Sincerely,
Don Sackett
