U-PICKS **may** be handicapped which will pay both Gross and Net places; -- **OR** -- they **may** pay Gross places only. Those using handicaps will be according to the current tournament policies. All MIXERS are Gross payouts only. Those events paying Gross places only will be flighted by scores on specific holes; front nine / back nine scores; counting down scores to divide into flights; by total team handicap; or by another random method.

NOTE: Some U-PICKS **MAY** accept individual entries. You need to check with the club **BEFORE** you mail an entry form.

Host clubs should have players 64 & younger play the regular men's tees, those between 65 & 74 play the senior tees, and over 75 play the forward tees. Not all courses have senior tees, and tee assignments will be on a course-by-course basis. Players 75 and older **ONLY** may use forward most tees, regardless of handicap or flight. **EXCEPTION:** The Memorial Tournament will have tee boxes assigned by age & flight as in the past.
