

## Join Loki's Club!

### Membership

- **Steady Support**

Loki accompanies children to court and comforts them when they visit Small Talk to help them feel more confident. One hour of canine advocacy costs \$20. Loki's Club members make a recurring monthly donation of \$5 or more to help provide a stable source of support for children in need, just like Loki!

- **Small Talk Connection**

Loki's Club members are invited to drop-in to a monthly meeting to hear updates from Small Talk staff and stay involved. Members can opt-in to receive our annual report and notifications about upcoming volunteer opportunities.

### Why Loki's Club?

Small Talk is the coordinating agency for child abuse investigations in Ingham and Eaton county. We are successful because we provide unwavering support to children throughout our forensic interviewing, counseling services, victim advocacy, and case management programs. Providing justice to victims of abuse can be complex and it takes time, but our model ensures that healing services are available immediately and tailored to each child and family's individual needs.

Our canine advocate Loki epitomizes the spirit of Small Talk's support for children. We strive to be steady, calm, kind, and always hopeful in the face of severe adversity and trauma. We ask that you help us to embody that spirit of steadiness which comforts children by making a monthly, tax-deductible donation. Every dollar of monthly support helps to ensure kids can access the resources and expertise they need to heal from trauma now and in the future.
