ZOOM EVENT, 90-MINUTES

The past year brought disconnectedness. The humbly famous Fr. Greg Boyle draws us together and closer to our true nature as compassionate, inclusive, beloved beings.

FATHER GREG BOYLE

Fr. Greg, the founder of Homeboy Industries, the world's largest gang rehab and community re-entry program, is also a two-time New York Times best-selling author with a third book on the way.

THE POWER OF EXTRAVAGANT TENDERNESS

Through wisdom, wit, and powerful storytelling, Fr. Greg will share what he has learned in three decades working with marginalized populations: love is the answer, community is the context, and tenderness is the connective tissue. His work with those often deemed as "the other" offers hope and insights on how to be "for one another" in this transitional, transformational time.

FROM THE BEST SEAT IN THE HOUSE

Participate in this Zoom event from the best seat in your house, your spiritual home, classroom, or wherever you and Zoom go together. Time with Fr. Greg will make you laugh, make you misty, and definitely call you to consider what matters most – inching ourselves closer to a circle of compassion with no one standing outside of that circle.
