WHAT'S GOING ON? LOTS!

Despite the pandemic, the site has been available to the public (the buildings closed however) and the staff and volunteers have been busy. On-line camps are being provided, the walks and gardens weeded, a new model of the grain elevators and Archimedes screw delivered, the Marjorie and Robert Lundegard Education Center is being refreshed and made more useful for classes and exhibits, new signage installed, and the staff has been hard at work devising a safe way to re-open the mill for small group tours. Please visit the web site to learn how to register for tours (see above for web address).

And, the Friends of Colvin Run Mill have a new logo!

KITTY O'HARA TO RECEIVE PRESTIGIOUS PARK AUTHORITY ELLY DOYLE AWARD

Kitty presenting the Friends Founders Plaque

Kitty has been a volunteer at the site for some 17 years as a docent and a member of the Friends about as long. She has served as President and is currently the Treasurer. Her dedication, persistence, professionalism, and general "good heartedness" have earned her the admiration and respect of all of us who have the pleasure of working with her.

CONGRATULATIONS KITTY!

Help extend our accomplishments

Our next endeavor is to fund the purchase of video equipment for the Education Center in anticipation of a changed educational environment. **Please help if you can.**

Use PayPal (go to "focrm.org/membership") or send a check to Friends of Colvin Run Mill, 10017 Colvin Run Road, Great Falls, VA 22066.

Support Great Falls Restaurants

As we come out of the pandemic, local businesses will need to attract customers. Help Great Falls recover! Local restaurants are listed on page 3.
