THANK YOU !!!

Thanks to all of our supporters, family and friends, we raised \$1,545 during the Celebration Silent Auction.

These funds will go towards our initial start-up costs and be incredibly helpful. Currently we are relying heavily on many volunteer hours to get everything going until our full team of staff and teachers can be hired. Donations are enabling us to advertise, spread the word, and create the digital presence needed in today's landscape.

Looking Ahead

Timeline

January 2nd- February 1st: Open enrollment for inclusion in the lottery process.

February 15th: Classes with more applicants than space available will be filled by a lottery system. Accepted students will be notified by email within 24 hours.

February 2nd and onward: Applications will be accepted on a rolling basis to fill open classes; a waiting list will be created for full classes.

The application and a more detailed description of the application process can be found on our website.

Kindergarten Update

Thanks to all the responses we received to our Student Interest Survey, we know there is HUGE support and interest in adding Kindergarten to our current charter. We are working diligently to determine if this will be possible for the 2021/22 school year and we hope to have good news for you soon.

Keep spreading the word and check back in with our website frequently.
