

2022 The Year to Roll up Our Sleeves...

Recycle Bikes for Kids is one of our new Stations located in North Little Rock. We sponsored a “Roll Up Your Sleeves” work day. AmeriCorps Seniors RSVP volunteers worked on Thursday, July 28th from 1pm-6pm. This station receives lots of donations and needed lots of help repurposing these bikes for kids. We enjoyed the Food and Fun!! A reporter from the Arkansas Democrat-Gazette was on site and took photos of the event! We are excited about the opportunity we had in giving back to our community and to the children who will receive these bikes later on this year!

Mosaic Church—Vine and Village Food Bank is one of our new Stations located in Little Rock. We are hosting a “Roll Up Your Sleeves” work day. RSVP volunteers will be there doing just that on Friday, August 26th from 10am-2pm. Come enjoy the Food and Fun!! You can come for the entire time or just 1 or 2 hours. Call us for details at 501-897-0793. WE NEED YOU!!

Gus Swain, RSVP volunteer stacks boxes to be packed for the drive-thru at Mosaic church, Vine and Village food bank.

These 75 boxes are for senior citizens, homeless in the area, and local hospice organizations.

AmeriCorps Seniors RSVP of Central Arkansas is in the process of conducting planning sessions with our stations each month to provide the best assistance possible in the 4 counties we service: Garland, Lonoke, Pulaski, and Saline.

We are excited about reaching out to find new stations (groups) that focus on servicing our communities through various work plans we've already established.

The types of volunteer services we provide currently are: environmental stewardship, educational services, food banks, veteran's programs, homebound services, isolation prevention, and Medicare fraud presentations.

Veteran's Detergent Drive

Guess what the AmeriCorps Seniors RSVP volunteers were able to do when we all worked together to fulfill a need for our veteran's?

Fort Roots VA hospital in North Little Rock expressed a need and we collected over **300** bottles, pouches, and powder detergent! Just how much detergent is that exactly? Our veteran's can wash **7,642** loads of laundry! Thank you, AmeriCorps Seniors RSVP Volunteers!

At the conclusion of our detergent drive and delivery we had other stations come forward to contribute to the detergent drive. We delivered a wagon load of laundry detergent to St Francis House veteran's transitional housing in Little Rock. They were surprised and overwhelmed by our generosity! We couldn't have made this much of an impact without your help! Thank you, AC Seniors RSVP Volunteers!
