November 2021

Vol. 2, Issue 11

## Gobble Gobble!

Dear Neighbors,

Can you believe it is already November? The ECA wishes you and your family a Happy Thanksgiving! It's been a busy year for the ECA with lots happening in the neighborhood and lots more to report.

### I-95/SR 84 Construction

Construction on the I-95 and SR-84 Interchange is well underway. I thought it would be nice to get a progress update on the project. Shelby Rodriguez, Transportation Planner, and the FDOT Project Team will be joining us for our next meeting to discuss construction, and provide an updated timeline for completion. If you have questions about the project, please email them to me in advance at [president@edgewoodcivic.org](mailto:president@edgewoodcivic.org).

### Speeding On 29<sup>th</sup> Street

We recently requested a traffic calming evaluation on SW 29<sup>th</sup> St. After conducting a site visit and reviewing the request with the city's engineer, it was recommended that SW 29<sup>th</sup> St between SW 15<sup>th</sup> Ave and SW 9<sup>th</sup> Ave receive refreshed pavement markings. Currently, the street has extremely faded pavement markings which may give motorists the illusion of a wide, straight road that can encourage speeding. Pavement markings will help delineate the travel lane and encourage safe driving behavior.

A faded Stop Sign on SW 29<sup>th</sup> St and SW 9<sup>th</sup> Ave was also observed, and it was requested to the County to be replaced. We will continue to work with the city to identify long-term solutions to the speeding issues in our neighborhood. A big "thank you" to the City for their prompt action on this street.

### Stormwater Improvement Update

The Commission awarded the Edgewood stormwater improvement project to David Mancini & Sons, Inc. at the October 5<sup>th</sup> meeting. The next step is to execute the construction agreement which can take up to two months. The City is hopeful that construction will commence in January of 2022.

The Contractor is planning to be present at one of our association meetings in the near future to set expectations with our neighborhood. Following the execution of the agreement, I will coordinate a date and let everyone know. It's important that we are all informed of this long-awaited project and I encourage residents to participate.

### Nominations for 2022 Board

Are you or someone you know interested in making a difference in your neighborhood? We need your help! Our neighborhood is undergoing many changes in the near future, and it is up to us as a community to ensure we continue to propel in a positive direction. We need residents to volunteer at events, implement ideas, manage the clubhouse, create relevant content to share, and organize events for our neighborhood, just to name a few. We are also looking to fill board seats. The more volunteers we have, the more we can do for the community.

We will be taking nominations for the 2022 Board at our next meeting. Positions to be filled include; President, Treasurer, Membership Liason, and Clubhouse Manager.

Remember, you have to be a member for at least thirty days in order to vote at the election, which will be during our December meeting. If you need to renew your membership please scroll down to the "Support the ECA" section to pay your dues.

As always, if you have any questions, comments, or concerns, please do not hesitate to contact me at [president@edgewoodcivic.org](mailto:president@edgewoodcivic.org)

## Lets **Green** Your Routine

### Volunteers Clean Up Edgewood

The streets shine a bit brighter in our beautiful Edgewood neighborhood after a group of volunteers joined to clean up for Ft Lauderdale's 8th annual Make a Difference on Saturday, Oct. 23, 2021.

Edgewood Civic Association board members and neighbors grabbed garbage pickers, buckets, and bags to nab litter from the roadsides of SW 4th, 9th, and 15th Avenues while several volunteers trimmed hedges and trees and worked on the association's clubhouse.

Ft Lauderdale joined cities across the country to participate in "Make A Difference Day," the largest national day of volunteer community service. Around the city neighbors participated in 30 different projects; including residential painting, beach and neighborhood cleanups, working on an edible food forest, reading to children during Little Free Libraries decoration, and more.

**Check out your neighbors in action!**

Edgewood participates in Fort Lauderdale's **Green Your Routine** Program. Interested in becoming a volunteer and helping us earn money for our neighborhood? Send us an email!
