November 2022

Vol. 3, Issue 11

## Thankful November

Dear Neighbors,

I hope you all had a very Happy Halloween and cannot believe we are in the month of November! ECA wishes you and your family a very Happy Thanksgiving.

This past Saturday, October 29, Edgewood participated in "Make A Difference Day".

*(See Pictures Below)*

We had a wonderful group of volunteers that spent time picking up trash along SW 15<sup>th</sup> Avenue and other streets. Due to the volume of trash picked up, we will be doing this once a quarter. If your child needs volunteer hours for school, please have them join us and we will fill out their school forms.

This Wednesday, November 2, we will be having an in person meeting at our clubhouse. As always, we will be having the Ft. Lauderdale Police and Code Enforcement officers in attendance. Our speaker for the evening will be Courtney Crush from Crush Law Firm. In attendance with Ms. Crush are the owners, Sandy and Jay Patel, who will be building a Fairfield Inn and Townplace Suites on the property of the old Wells Fargo Bank.

### Nominations for the 2023 Board

Edgewood is always looking for new faces on our Board. If you or someone you know may be interested in making a difference in your neighborhood, please have them reach out to us. We need residents to volunteer at events, share ideas, help with the clubhouse and organize events for our neighborhood, to just name just a few things. The more volunteers we have, the more we can do in Edgewood.

We will be taking nominations for the 2023 Board at our next meeting. Positions to be filled include, President, Vice President, Treasurer, Secretary, Membership Liaison and Clubhouse Manager.

Remember, you have to be a member for at least thirty days in order to vote at the election, which will be during our December meeting. If you need to renew your membership, please scroll down to the "Support the ECA" section

to pay your dues.

As always, if you have any questions, comments, or concerns, please do not hesitate to contact me at [president@edgewoodcivic.org](mailto:president@edgewoodcivic.org).

### Long-Term Solution to Global Heating Environmental Loss, **Overshoot** & Many of our 11 Other Global Crises to Create a Sustainable Prosperity

*by JobOne for Humanity*

As difficult as it seems to understand, at the deepest levels and as a driving prime cause, the current climate change extinction emergency, our deteriorating environment, and many of the world's other 11 major global crises are directly or indirectly caused by the concept and problem of Overshoot. Overshoot simply means that resource demand is over and beyond that of that particular resource's regeneration or renewal capacity.

## Lets **Green** Your Routine

### Residential Bulk Waste Collection

The Bulk Trash Pickup Program features collection of large household items and tree trimmings, up to 10 cubic yards in size, for residential customers. Items accepted for bulk trash pickup include: appliances, furniture, carpet, mattresses, and toys. Please do not place tires in bulk piles.

#### Fines

Bulk trash should not be put out for collection more than 24 hours before your collection day. In Edgewood, collection day is the first Thursday of each month. If Code Enforcement officers see any bulk trash out too early, they will spray paint a warning somewhere visible on the pile of bulk trash. If that bulk trash is not removed before pickup, you will be cited with a \$300 fine, that will appear on your City of Fort Lauderdale utility bill.

#### Schedules and Routes

Bulk trash is collected once per month. **Edgewood's** pick-up is the **1st Thursday** of the month. If you cannot wait for your collection day, you may schedule an appointment for pick-up. There is a fee for this service.

#### Set Out Instructions

Please place all items at least four feet away from any waste carts, mailboxes, trees, and/or power lines. Avoid blocking storm drains; lay items in such a way as to minimize the likelihood of them blowing over.

### Alternatives to Bulk Trash Pick-Up

Often, the items you place in bulk trash can actually be useful to others. Before you throw something away, please investigate whether donating, scrapping, or otherwise disposing of your old items is a possibility. Find out more here.

### Yard Waste

Yard waste, such as tree branches and large quantities of leaves in boxes/bags, may also be set out on bulk collection days.
