November 2020

Vol. 1, Issue 2

Cheers for a Festive Holiday Season!

Hello Neighbors,

Holiday season is upon us! Hopefully that will also bring some cooler...and drier weather. Our neighborhood has accumulated a tremendous amount of water in the last several weeks with

nowhere to go. Yes, it is a huge problem that is recognized not only by our community, but by the City of Fort Lauderdale as well. Many questions have been asked with growing concerns over our drainage. The good news is that we have a plan!

The first step to staying informed is your participation! I would like to invite you all to our next General Meeting which will be November 4th at 6:45pm via Zoom. Our guest speaker will be from the City of Fort Lauderdale's Stormwater Operations and we will be discussing the plan for stormwater upgrades in our neighborhood. I hope to see you all virtually!

You will always find the current meeting information here in our newsletter, on our [Facebook](#) page, as well as on Nextdoor under "events".

If you would like to learn more about what the ECA has been up to in the past few months please click "read more".

As always, thank you for your support!
