

THE EDGEWOOD EDITOR

January 2023

Vol. 4, Issue 1

Happy New Year!

Happy New Year Edgewood!

Wishing all of you a very happy and healthy 2023! At our December meeting we had elections and below is your board for the 2023 year.

President ----- Wendy Wills
Vice-President ---- Tom Tuberville
Secretary ----- Dorie Cox
Treasurer ----- Alan Scharf
Trustee ----- Steve Goldstein
Trustee ----- Bruce Headrick
Trustee ----- Andrew Holland
Trustee ----- Dick Ward
Trustee ----- Chick Wygant

This coming Wednesday, January 4, we will be having our Edgewood Civic Association meeting. Our doors open at 6:30 pm. As always, our Fort Lauderdale Police will be attending as well as Code Compliance. Our speaker for the evening will be Mr. Zane Kelleher, from the American Legion Post 36's. We look forward to seeing everyone!

On January 25, 2023, at 5:00 pm, please join us at our clubhouse for a Walk N Talk with our Fort Lauderdale Police D3 Community Support Unit (CSU). This is a great opportunity for neighbors to meet, ask questions, and express concerns to our officers.

Volunteers needed! ECA is always looking for neighbors to assist in our community and for events with Green Your Routine. On January 21, from 8:00 until 10:00 am, I need two volunteers for the Food Forest at Snyder Park. For those that may not know, we earn points for each event at which we volunteer. At the end of the year, those points turn into money for Edgewood. If you can volunteer, please reach out to me via email.

As always, if you have any questions, comments or concerns, please do not hesitate to contact me at president@edgewoodcivic.org

Wendy Wills

Henry E. Kinney Tunnel Closure

The Henry E. Kinney Tunnel near downtown Fort Lauderdale will be completely closed from January 9th, 2023 through January 13th, 2023! There will be both northbound and southbound detours around the closed tunnel. See below for drawings of the detours. Full information about the closure may be read on the City of Fort Lauderdale website here:

<https://www.fortlauderdale.gov/Home/Components/News/News/6584/16>

HENRY E. KINNEY TUNNEL CLOSURE
 Monday, January 9, through Friday, January 13

Federal Highway (US-1) and the Henry E. Kinney Tunnel will be fully closed around the clock from SE 2nd Street to SE 7th Street from 7 a.m. Monday, January 9, through 5 p.m. Friday, January 13. The closure is necessary to allow concrete pouring operations.

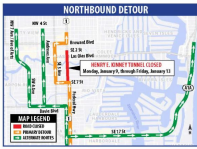

Detours will be in place for this closure and traffic flow in the area will be heavily impacted. Vehicles traveling north and southbound will be routed to SE 2nd Avenue, with alternate routes along Andrews Avenue and SW 4th Avenue. Those who live and work in the area are advised to plan accordingly and prepare for traffic delays.

Monday, January 16, through Friday, January 20, will be used as contingency closure dates if needed due to inclement weather or unforeseen issues.

The Henry E. Kinney Tunnel Improvements and Pedestrian Plaza Project is part of a \$28.4 million construction effort to rehabilitate the tunnel to meet standards for safety and structural integrity. In addition, a tunnel top pedestrian check will create a viable community and enhance Las Olas Boulevard. City Federal Highway will use overall improvements for safety and mobility.

Traffic Impacts

- Federal Highway (US-1) and the Henry E. Kinney Tunnel will be fully closed to traffic between SE 7th Street and SE 2nd Street from Monday, January 9, through Friday, January 13.
- Detours will reroute traffic in the area, with electronic signs providing advance notice and clearly marked signage along the detour routes. See maps for detour routes.
- Please follow posted signs and drive with caution while workers are present. Thank you for your patience as work continues to improve these areas to make them safer, more resilient, and more accessible.

For more information about the project, visit the Florida Department of Transportation (FDOT) project page at <https://dot.fl.gov/transportation/central> or contact Community Outreach Specialist Daniela Silva at (784) 441-5088 or msilva@dot.fl.gov.

American Legion Post 36 (State Road 84)

Please join Edgewood Civic Association in welcoming American Legion Post 36's Commander Zane J. Kelleher as our guest speaker on January 4, 2023.

Edgewood neighbor, Dennis 'Doc' Rooy, is the post's First Vice Commander.

The William C Morris Post 36 American Legion is the oldest post in Broward County, chartered in 1919 and it is considered a "Centennial Post," one of the few in the United States.

There are more than 12,000 Legion Posts in the United States serving nearly 2 million members. Additionally, the American Legion has posts in France (where it started), Mexico, Puerto Rico, and the Philippine Islands.

The public is invited to Post 36 which features an inside bar with a small stage and plenty of tables, plus an outdoor Tiki bar with horseshoes and evening campfires.

Please contact captzane@flyingmariner.com for informaton.

Residential Bulk Waste Collection

The Bulk Trash Pickup Program features collection of large household items and tree trimmings, up to 10 cubic yards in size, for residential customers. Items accepted for bulk trash pickup include: appliances, furniture, carpet, mattresses, and toys. Please do not place tires in bulk piles.

Fines

Bulk trash should not be put out for collection more than 24 hours before your collection day. In Edgewood, collection day is the first Thursday of each month. If Code Enforcement officers see any bulk trash out too early, they will spray paint a warning somewhere visible on the pile of bulk trash. If that bulk trash is not removed before pickup, you will be cited with a \$300 fine, that will appear on your City of Fort Lauderdale utility bill.

Schedules and Routes

Bulk trash is collected once per month. **Edgewood's** pick-up is the **1st Thursday** of the month. If you cannot wait for your collection day, you may schedule an appointment for pick-up. There is a fee for this service.

Set Out Instructions

Please place all items at least four feet away from any waste carts,

mailboxes, trees, and/or power lines. Avoid blocking storm drains; lay items in such a way as to minimize the likelihood of them blowing over.

Alternatives to Bulk Trash Pick-Up

Often, the items you place in bulk trash can actually be useful to others. Before you throw something away, please investigate whether donating, scrapping, or otherwise disposing of your old items is a possibility. Find out more here.

Yard Waste

Yard waste, such as tree branches and large quantities of leaves in boxes/bags, may also be set out on bulk collection days.

More Information

For all questions regarding Bulk Trash or other sanitation and Clean City services, please call the 24-Hour Customer Service Center at 954-828-8000 or online.
