

THE EDGEWOOD EDITOR

March 2022

Vol. 3, Issue 3

Moving into March!

Dear Neighbors,

Spring is upon us and we certainly have had wonderful weather this year!

Our stormwater improvements in Edgewood are underway on various streets and they are making good progress. David Mancini & Sons, Inc. (DMSI) is trying to be respectful of the residents by driving slowly throughout the neighborhood and cleaning up at the end of the day. At our April 6, 2022, ECA meeting; we will be having it in-person at our clubhouse located at 1790 SW 32nd Street. I have asked DMSI to attend to give us an update on their progress in Edgewood and we will also have our police officer and Code Enhancement Officer attending as well.

Commission Ben Sorensen reached out asking if residents would like to see Pickleball Courts and a Café at Snyder Park. A private company has reached out to the City and the City would like to know our thoughts or concerns. Please email me at president@edgewoodcivic.org.

Please join us this Wednesday via Zoom for our monthly Edgewood Civic Association meeting. You will find the link for the meeting here in our newsletter. We will have Code Enforcement joining us to answer questions and concerns as well as an officer with a crime report.

As always, if you have any questions, comments, or concerns, please do not hesitate to contact me at president@edgewoodcivic.org.

Wendy Ballantine Wills

The next ECA meeting is **Wednesday, March 2nd** at 6:45 pm.

St. Patrick's Parade & Festival

March 12, 2022

Festival: 11am - 7pm

Parade: Noon

Snyder Park Farmers Market

Heal The Planet Farmers Market in Snyder Park

Support local businesses and visit us every
1st. and 3rd. Saturday of every month 9am-2pm

Visit the Circle of Life Experience booth and get your **FREE seedling!!**

HEALTHY JUICES

FRESH FRUITS & VEGETABLES

CRAFTS

DESIGN

In organizing this market, we are seeking like-minded and sustainable vendors to be included. We want to offer the community access to fresh produce, reusable or low waste goods, and crafts. In addition, we would be supporting local small businesses.

Storm Water Update

The City of Fort Lauderdale is investing \$14.5 million in the Edgewood neighborhood to dramatically reduce flooding, enhance reliability, promote neighborhood sustainability and improve services.

Work has already begun on the western side of Edgewood as the project will move from west to east and is expected to be completed by fall 2024.

Update from DMSI:

To date, we have completed over 2,500 feet (0.5 miles) of drainage pipe and 25 structures. The streets, where we have completed the installation of pipe, are SW 18th Ter, SW 28th St, and SW 19th Ave. We are currently working along SW 30th St and SW 32 Pl.

Our goal is to have the first phase (boundaries are SR 84, I-95, and SW 15th Ave) of the project

completed by the end of August, provided no unforeseen conditions arise. Once this phase is completed we will test and certify the first phase before initiating service.

The ECA has asked for quarterly updates on this project at our meetings.
