

Summer Glen Veterans Club

Smiles for Veterans Dental Program

Did You Serve?

Now it is our turn to serve you....

HOW? By allowing us the honor of providing low cost dental care to low income veterans like you.

WHO? Langley Health Services (LHS) is committed to provide low cost dental services on a sliding scale, to those who can barely afford it. Services include complete oral exams, dental hygiene, basic oral surgery, fillings, basic periodontal work and other services.

You may qualify for these services for as low as ZERO or \$5.00 per visit !!!

Also, as funds are available, grants for dentures are available to cover up to 50% of the cost of the dentures.

LHS will not deny services based on inability to pay!!!

WHAT? This program is funded by LHS, Sunshine State Veterans Fund, the Rotary Club of the Villages - Evening, and Summer Glen Veterans for residents in Sumter, Marion and Citrus counties and will continue as long as funds are available.

WHERE? These services are provided by appointment at LHS facilities located in Sumterville, Ocala or Inverness. We also provide services on our dental bus.

All you must do is call **Paul Quinn at 352-569-2935** to check how you qualify and make an appointment. Simple.

This will never compare to what you gave us, but, is our humble way of saying...

THANKS FOR YOUR SERVICE!
