

The Ridgewood Racquet Club is one of North Jersey's premier indoor tennis facilities. We have 5 championship, climate-controlled courts. The club was built in the 1970's and has been family owned and operated since 1986.

The club boasts an extremely large and popular junior program serving more than 250 children and a summer program serving over 350 students. Our programs run seven days a week and have been developed for all levels, from Pee-wee to High School Varsity and tournament players.

In addition to our junior programs, the RRC offers a wide variety of leagues, adult instructional and organized play programs. Our customers may purchase the latest clothing, racquets and accessories from our full-service pro shop, where all stringing and maintenance is done on the premises.

Our clean and comfortable lobby offers a full view of the entire court area. Our friendly accommodating and professional staff are happy to serve all your tennis needs. We look forward to seeing you on the courts.
