2021-2022 ANNUAL REPORT

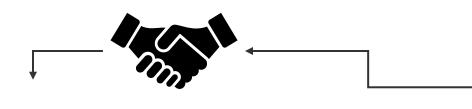

BRONZE LEVEL Reading, Pennsylvania

WHO WE ARE

BAMBA was established in 2012 as the first IMBA (International Mountain Bicycling Association) Chapter in Berks County, PA.

Today, BAMBA is a 501(c)3 non-profit trail association IMBA Affiliate, whose mission is to create, enhance, and preserve great trail experiences for mountain bikers in Berks County, Pennsylvania.

OUR VISION

Establish, preserve, and enhance access to mountain biking trails on local multi-use trail networks through education, communication, partnerships, and unified action.

Create and enhance strong partnerships with local land managers, organizations, other trail user groups, businesses and government entities who support multi-use, sustainable trail systems.

Encourage responsible, respectful riding and trail use.

Support inclusion, wellness, fitness, healthy lifestyles, and friendships for all ages, genders, and abilities through mountain biking.

Educate our community about the many benefits of mountain biking.

Facilitate community involvement to thoughtfully plan for a future of outdoor recreation on the many multi-use trail systems in our area.

Be a key contributor of conservation, protection, and sustainable, professionally-built trails of Berks County's recreational preserves.

Represent the interests of our members through maintaining strong, working relationships with sponsors, land managers, and partners.

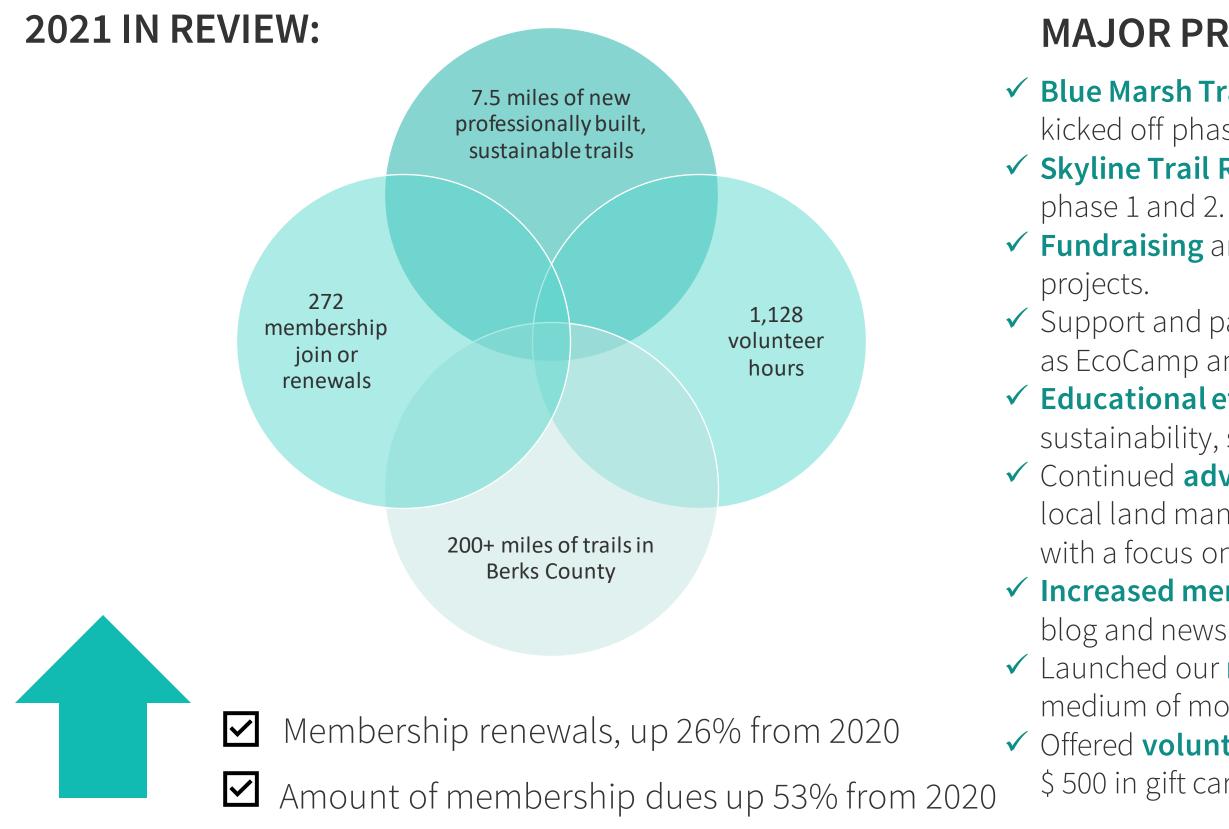

Encourage youth cycling to cultivate a lifelong passion for the sport with a focus on responsible, respectful riding and inclusion.

MEMBER SURVEY HIGHLIGHTS

METHODOLOGY

• The survey was distributed in our newsletter and emailed to our new, current and lapsed members. It was active from December 13-31, 2021. Our sample size was 67, and we received 79 respondents which accounted for 37% of our current member base.

GEOGRAPHY AND MEMBERSHIP

• There is clear opportunity to expand our member base and incentivize visitors to ride in the Berks area. Local groups have also been identified as potential opportunities for growth, such as casual mountain bikers, younger riders, and more women.

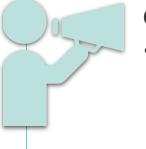

SUPPORT OF PROJECTS

• 92% of respondents are satisfied with BAMBA's trail work, and nearly 70% ride more at Blue Marsh since the trails have been optimized.

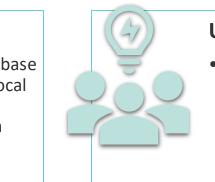

MORE FLOW AND INTERMEDIATE **OPTIONS**

• The request for flow trails is high, with 40% of respondents asking for more. 20% would like more intermediate trails with technical options.

COMMUNICATIONS

• 81% of members feel well-informed by BAMBA about what is happening. 44% say their primary source of information is the weekly emails, while 42% rely on social media. However, 20% would like to be more informed on our advocacy efforts.

UNDERSTANDING OF OUR VISION

- Many respondents understand BAMBA's vision, goals, and the value of being a member. However,
- opportunities for education and communication are present.

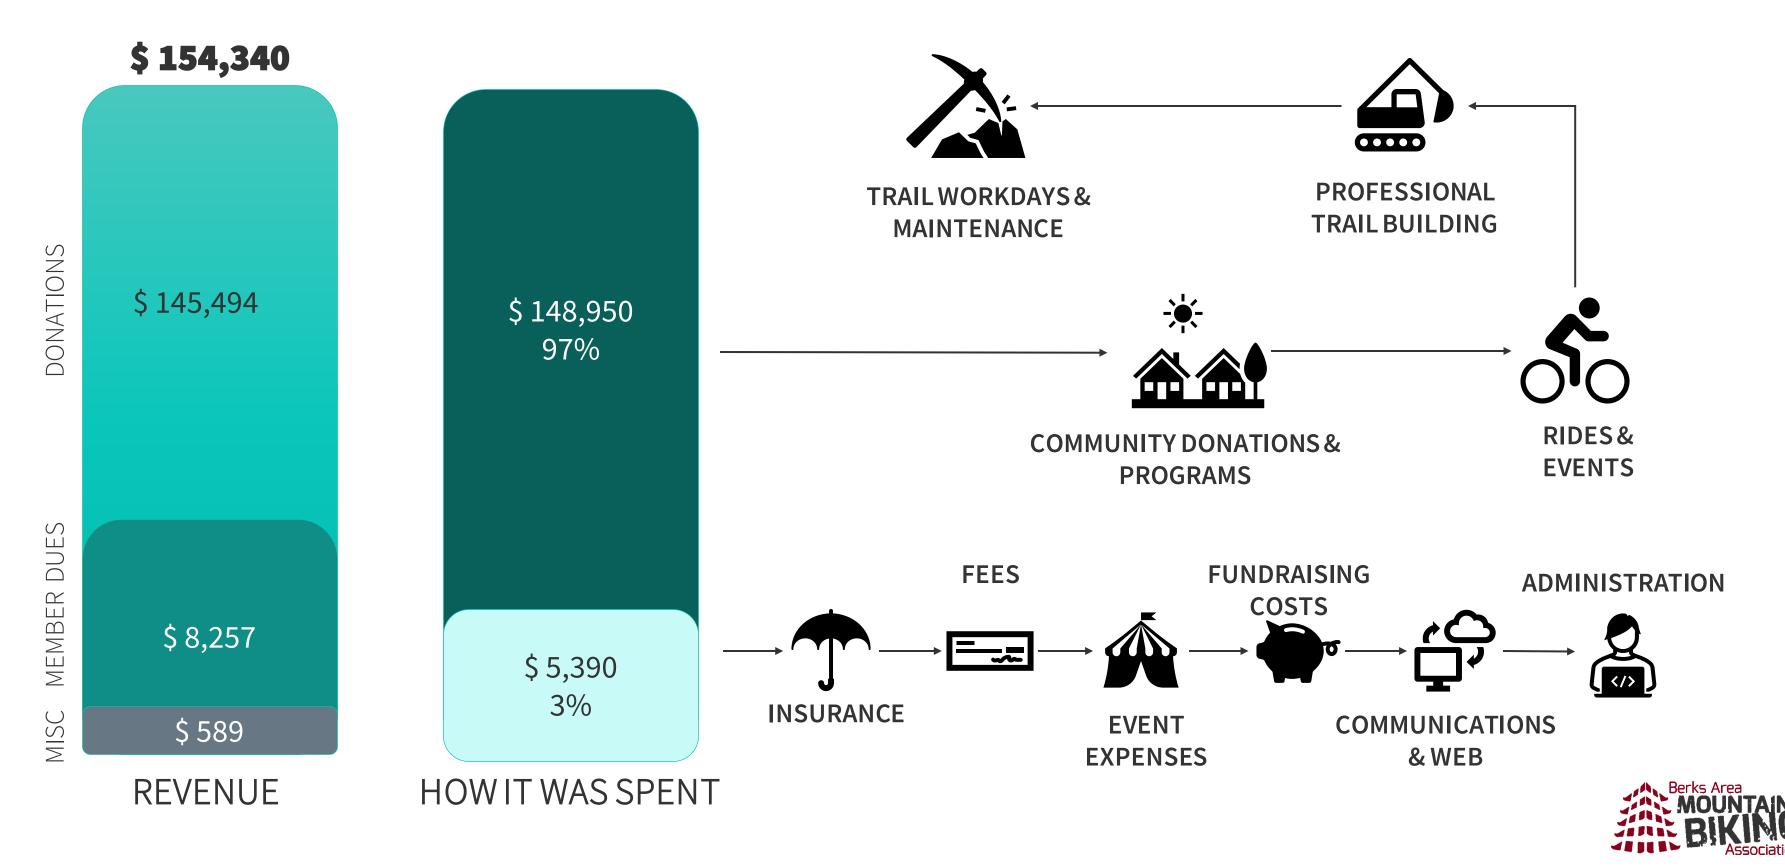

SATISFIED WITH CURRENT VARIETY

• 23% of respondents indicated they are satisfied with the variety of trail features in Berks County.
