

# PARENT-EDUCATORS FOR CDC U5 TO U12

- Technical Staff and assistants run the CDC
- Session plan (drills) are provided to the parent-educator
- The parent-educators help animate the group, keep the group organized for the sessions, assist with exercises and lead exercises once comfortable.
- Equipment is provided
- Coach shirt is provided
- Volunteer Educator incentive applicable

## This is an opportunity for you to:

- Connect with your child in a new way, with your club and your community
- Be a part of your child's soccer journey
- Teach valuable life lessons that will extend from the soccer field into a child's life
- Experience the sense of pride that comes from being a parent-educator
- Connect with yourself and have some fun!

U9 to U12 players will participate in league games and educators act as coaches for their group during those games. Ideally, we would like to have 2 educators per group so that there is always a back-up.

U5 to U8 players have games integrated with their training.

**WE HOPE YOU WILL CONSIDER BEING A PART OF YOUR CHILD'S SOCCER DEVELOPMENT.!**
