CLUB PLACEMENT

Rome City Institute offers the unique possibility to compete at a club level in Italy. Our team is well connected with professional, semi professional and amateur clubs in the city, in order to give our players the chance to test their skills against Italian players.

Therefore, our student-athletes will be training in the morning with our professional academy, while in the afternoon they will have the chance to train with a local club. For Italian clubs, the season starts by the end of August and it ends at the beginning of May. Official games are played once a week, either on Saturday or Sunday.

In addition, the men's soccer team also participate in the University League, a tournament amongst universities in the city of Rome, which our team proudly one last season.

TRAIN LIKE A PRO

The Rome City Institute is highly focused on athlete-improvement under all aspects, as well as techniques of coaching to unleash our student-athletes' maximum potential. To assist our coaching staff in their practices, we believe in a technical approach with technology on the field. Every day, our athletes will be monitored and recorded through specific technology, that allows our coaches to analyze their distances, touches, speed and cardio, and improve performances based on data through practice and match analyses.
