

# SERIE A ELITE MONTREAL AUGUST 2024

## 6th – 7th August

The top Italian professional soccer league, Serie A, in partnership with Rome City Institute, brings together talented North American players to access playing opportunities in Italy, under the eye of the top professional Italian league. Attending players will have the chance to be selected by the Serie A and the Rome City Institute. Selected players will be invited to our professional soccer academy based in Rome, Italy for short-term and/or academic programs. Each player attending the camp will be evaluated by our professional scouts and presented with opportunities to play and study in Italy.

## SERIE A ELITE lands in Montreal

Thanks to our partnership with Pierrefonds Soccer Association, Serie A Elite lands for the first time in Montreal! We look forward to scouting and identifying local players and giving them a chance to perform in front of our coaches. Players will be evaluated for scholarship offers to continue their education and soccer career in Italy along with the chance of earning tryouts opportunities with professional Italian clubs. Explore your options in Italy by attending this unique camp!

## ABOUT US

### ROME CITY INSTITUTE

Rome City Institute is the only Institution in Italy that combines an international education with the opportunity to play competitive sports in Italy. Education, Sport and Experience are our pillars that support our mission to provide our student-athletes with the necessary tools to succeed both academically and athletically through a lifetime experience. Our professional soccer academy is the only one affiliated with Serie A, the top Italian league.

### SERIE A

Lega Serie A is the top Italian professional soccer league and it is regarded as one of the best leagues in the world. Serie A is ranked among the top 5 soccer leagues in the world and it's been the home of many internationally recognized champions. Serie A has recently opened an operational office in the US with the goal to implement its presence in North America for branding and scouting purposes.

## OUR GOAL

To select North American talents that could compete in Italy under the eye of the Serie A club and to identify players for our programs at Rome City Institute.

## POSSIBLE OUTCOMES FOR SELECTED PLAYERS

- 1) Invitation to Italy to live the Serie A Experience: this is your chance to confront yourself against Italian clubs, to get professional exposure, and to experience soccer in Italy!
- 2) Scholarship offer to join Rome City Institute's educational and athletic programs. Rome City is the only Italian Institute that combines an international education with competitive soccer
- 3) Official invite to join our development programs over the summer.
