FOODIEZ.LIVE is a direct-to-consumer live video network through which culinary experts can target foodies with fresh content. With FOODIEZ.LIVE, culinary content creators can run live cooking or drink mixing demos, host Q & A sessions and private classes, show fans cooking or beverage hacks and tips, offer guidance to up-and-coming culinary experts, and much more. Audiences can watch from anywhere using a PC, laptop, or mobile device from any browser.

Register now at www.foodiez.live/FDLreg with reference source Culinary Federation

All registered Culinary Federation members will be featured on the network and receive an extra bonus for all paid live broadcasts and video calls.

For more details and information, contact us at hello@onviva.net

foodiez.live
powered by ONVIVA

FOODIEZ.LIVE is a live video network that allows culinary experts, restaurateurs, sommeliers, mixologists and gourmet schools to price, schedule, promote and deliver live streaming broadcasts and video calls to audiences of any size. **FOODIEZ.LIVE** is powered by ONVIVA's industry standard WebRTC live broadcast and video call technology. **ONVIVA** is a registered member of the Canadian Culinary Federation, Canadian Organization of Campus Activities and SOCAN.
