## A MESSAGE FROM OUR PASTOR

Dear St. Thomas Parishioners and Families,

As we are about to begin a New Year of worship, prayer, and continue our commitment to Acts of Charity in the name of Jesus Christ, I would like to thank you for your witness as a Family of Faith. Please know that I pray for you always. Below is a reflection on the Holy Family of Jesus, Mary and Joseph by Saint Paul VI, Pope. May God continue to bless all of us as a Family in Jesus Christ, now in this time, and throughout the New Year!

*Rev. Ralph E. Segura*

Rev. Ralph E. Segura  
St. Thomas the Apostle Parish  
Pastor

Nazareth is a kind of school where we may begin to discover what Christ's life was like and even to understand his Gospel. Here we can observe and ponder the simple appeal of the way God's Son came to be known, profound yet full of hidden meaning. And gradually we may even learn to imitate him.

Here we can learn to realize who Christ really is. And here we can sense and take account of the conditions and circumstances that surrounded and affected his life on earth: the places, the tenor of the times, the culture, the language, religious customs, in brief, everything which Jesus used to make himself known to the world. Here everything speaks to us, everything has meaning. Here we can learn the importance of spiritual discipline for all who wish to follow Christ and to live by the teachings of his Gospel.

How I would like to return to my childhood and attend the simple yet profound school that is Nazareth! How wonderful to be close to Mary, learning again the lesson of the true meaning of life, learning again God's truths. But here we are only on pilgrimage. Time presses and I must set aside my desire to stay and carry on my education in the Gospel, for that education is never finished. But I cannot leave without recalling, briefly and in passing; some thoughts I take with me from Nazareth.

First, we learn from its silence. If only we could once again appreciate its great value. We need this wonderful state of mind, beset as we are by the cacophony of strident protests and conflicting claims so characteristic of these turbulent times. The silence of Nazareth should teach us how to meditate in peace and quiet, to reflect on the deeply spiritual, and to be open to the voice of God's inner wisdom and the counsel of his true teachers. Nazareth can teach us the value of study and preparation, of meditation, of a well-ordered personal spiritual life, and of silent prayer that is known only to God.

Second, we learn about family life. May Nazareth serve as a model of what the family should be. May it show us the family's holy and enduring character and exemplify its basic function in society: a community of love and sharing, beautiful for the problems it poses and the rewards it brings, in sum, the perfect setting for rearing children—and for this there is no substitute.

*From an address by Saint Paul VI, Pope, The Liturgy of the Hours, Vol. 1, Advent and Christmas Season, Catholic Book Publishing Co., NY 1975, pp. 426-426.*
