We live in a world that sometimes makes it challenging to live our Catholic faith. Forgiving people who might hurt our feelings, or going out of our way to do something kind - or sticking up for someone who is being picked on at school or in your neighborhood! Many times we know when we are called to act differently than how someone else might handle a challenging situation.

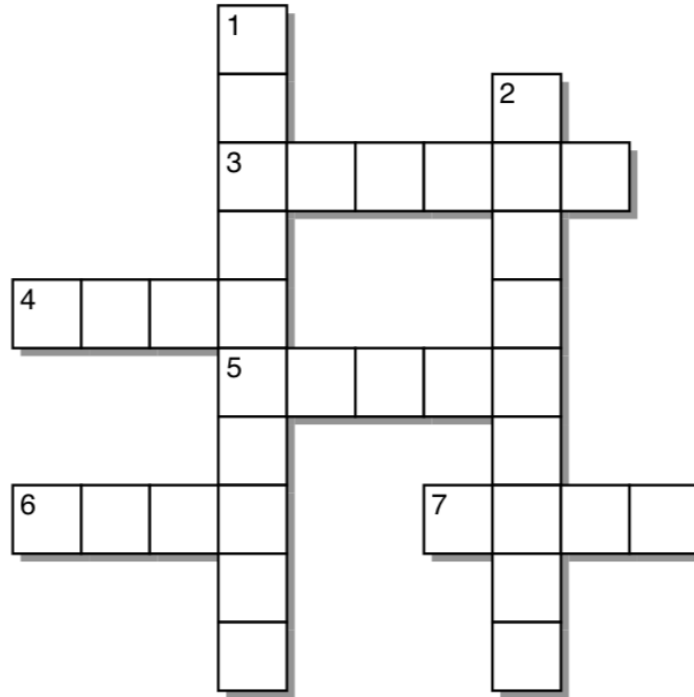

When you find yourself struggling, remember this story of the Apostles: huddled after the death of Jesus, and then empowered by the Holy Spirit to go and share the good news. That same Holy Spirit is a part of you by your Baptism - and someday your Confirmation!

FOR MORE FUN

- ★ This week put a piece of paper by your bed. Every night before you go to bed, take a moment to reflect on one thing you did that day that showed you are a Christian! A helping hand, a kind word!
- ★ Add this prayer to your night time prayers this week! If you are struggling with something, ask the Holy Spirit to direct you:

**"Come, Holy Spirit, come!
And from your celestial home
Shed a ray of light divine!"**
