Answer Key

15 Questions, 6 questions with 6 options each.

Nine questions with 5 options each.

Give yourself 1 point for each time you selected the 1st option. They are weighted on descending order. All answers are the first in the question would be 15 points. (are you being honest?).

Give yourself 2 points for every question you answered with the 2nd option. All 15 questions with the second option would be 30 points.

Give yourself 3 points for every question you answered with the 3rd option. All 15 questions with the third option chosen would be 45 points, and so on.

The LOWER your point total the better.

Evaluation:

15 points: Awesome, will you join my prayer support team? (Are you being honest? What a question to ask a praying person!).

20 points and higher: You are a rock to build a prayer movement around.

30 points or more: Likely a C2 praying church

40 or less: Likely a C3 praying church, at best. Jesus said to pray that the Father would send workers into the fields, this usually begins with prayer. Ask the Father to send you praying men and women for His own glory, and to build His church.
