ARTICLE 12

EVALUATION PROCEDURES

12.1 Purpose of Evaluation Procedures

It is understood and agreed by the parties that the principle objectives of evaluation are to recognize strengths, to increase teacher effectiveness through a continual growth model, to demonstrate student learning gains, to assess the implementation of effective teaching strategies and programs, and to influence decisions about continued employment.

The process is intended to assist educators new to the profession in acquiring the skills necessary to be effective and to guide veteran educators in their career-long pursuit of excellence. The parties expect educational professionals to engage in ongoing reflection and improvement throughout their careers and the District is committed to assist all certificated employees to improve their professional skills.

The California Standards for the Teaching Profession was the cornerstone document utilized in the development of the South Bay Integrated Professional Learning System for Educator Effectiveness and Evaluation (IPLS). The IPLS is a growth model for continuous reflection and development.

The parties recognize the statutory rights and obligations of the District and members regarding employment status, disciplinary action, and evaluation, as specified in the California Education Code and reaffirmed in Article 4.1.b.

For the term of this agreement, the parties shall reopen Article 12, Evaluations, annually to review and revise content as needed.

Overview of the Evaluation Procedures

This Article establishes a multi-track evaluation procedure designed to improve instruction and support professional growth and to influence decisions about continued employment.

- a. The Professional Practice Track is designed to allow certificated unit members, in collaboration with their evaluator, to define a program of professional growth for a period of evaluation and to be evaluated in terms of that program.
- b. At the end of the Professional Practice Track, a unit member shall receive a Professional Practice Summative Report. Typically, the Professional Practice Track shall occur during year one (1) of the three (3) year IPLS cycle, although in certain circumstances this timeline may be continued.
- c. The Advisory and Structured Intervention Track is designed to assist unit members in specific areas of improvement and growth and to influence decisions about continued employment.

12.2 For purposes of this article, except as otherwise provided in this agreement, every member of the unit shall participate in the Integrated Professional Learning System (IPLS) Professional Practice Track one (1) time during a three (3) year period. The evaluation will be in collaboration with their evaluator (site administrator, immediate supervisor, director or program coordinator). Years two (2) and three (3) shall be for reflective growth unless other provisions of this article apply.

12.3 Professional Practice Track

The Professional Practice Track of the evaluation process will include goal setting based upon the CSTPs, informal walkthrough observations, at least one scheduled observation, at least one pre observation conference, a post observation mid-year conference, and a Professional Practice Track Summative Conference and Report (formal evaluation report).

12.3.1 Goal Setting includes:

- a. Reviewing data gathered by both evaluator and unit member to establish goal setting.
- b. The completion by the unit member of the required Educator Self Reflection Tool (Form A) for the three (3) related CSTP progressions outlined in the IPLS Forms A1-A6.
- c. Selection of three (3) focus elements, two that have been pre-selected by the district and one mutually agreed upon, and the development of one specific, measurable, attainable, relevant and time-bound (SMART) goals mutually agreed upon for each. Evidence used to measure SMART goals shall be determined by the unit member.
- d. The completion by the evaluator and unit member of the Professional Learning Plan as outlined in the IPLS Form B.
- e. Establishing a date for a scheduled observation and mid-year conference

12.3.2 An informal walkthrough observation is described as follows:

- a. It may be announced or unannounced
- b. It may or may not include a pre-observation conference
- c. Informal walkthrough observations will be documented using Form E. A copy of Form E will be provided to the unit member following an informal walkthrough.
- d. There will be at least five (5) informal walkthrough observations spread equally per trimester however, informal walkthrough observations shall be reasonably related to the principle objectives stated in 12.1.

- 12.3.3 For purposes of the Article, a scheduled observation and post observation midyear conference is described as follows:
 - a. Components of the scheduled conference include a pre-conference, scheduled observation and mid-year conference with the evaluator.
 - b. It is scheduled or announced in a timely manner to allow for adequate preparation.
 - c. A pre-observation conference to discuss upcoming observation will be held between the unit member and evaluator. A unit member may elect to submit a written lesson plan. The parties may mutually agree to forego the preobservation conference.
 - d. The observation must last at least twenty (20) minutes.
 - e. The observation will be followed by a written observation summary (Form C), which will be-developed and completed collaboratively at a post-observation Mid-Year conference which occurs within five (5) duty days of the observation.

12.3.3.1 Mid-Year conference includes:

- a. The evaluator and unit member discuss and review progress using the required Mid-Year Conference Report (Form C)
- b. Review and possible Modification of Professional Learning Plan (Form B).
- 12.3.3.2 In the event the Mid-Year report indicates an overall ineffective rating, the unit member shall be placed into the Advisory and Structured Intervention Track. A unit member who receives an overall emerging rating may voluntarily request Advisory.
- 12.3.3.3 The Mid-Year conference and report shall be completed prior to winter break.
- 12.3.3.4 The observation shall not be scheduled within the last five days prior to Winter Break, Spring Break, or Summer Vacation, unless agreed upon by both unit member and administrator.
- 12.3.3.5 Following the Mid-Year Conference, should the data show that any area of the unit member's evaluation will be rated "Ineffective," the unit member may schedule a second observation prior to finalizing the unit member's Professional Practice Track Summative Report.
- 12.3.4 For the purpose of this article, a Professional Practice Track Conference and Summative Report are defined as:

- a. The administrator and unit member discuss and review progress using the required Professional Practice Summative Report as outlined in Form D.
- b. Reviewing and reflection of progress of the unit member's Professional Learning Plan (Form B).
- 12.3.4.1 The unit member may present additional evidence on professional and/or student growth.
- 12.3.4.2 The evaluator is responsible for completing the Professional Practice Summative Report to document growth based on evidence provided by both parties, and provide an overall rating on to the unit member. Both the evaluator and the unit member shall sign the Professional Practice Summative Report.
- 12.3.4.3 The evaluator may decide to "continue" a unit member's Professional Practice Summative Report from one (1) year to the next. The following criteria will be followed:
 - The decision to continue an evaluation is made when the evaluator has expressed concerns over the performance of the unit member, but decides the full impact of an overall ineffective Professional Practice Summative Report is unwarranted and that more time should be provided for growth and support. These concerns shall be documented by the evaluator and will have been discussed with the unit member.
- 12.3.4.4 Marking the "continue" box simply postpones the official Professional Practice Summative Report. It does not constitute a negative evaluation, nor should it be interpreted as such. Probationary and temporary unit members cannot be continued.
- 12.3.4.5 Members who receive a continued evaluation shall be provided a support plan which shall outline areas of concern and opportunities for growth which shall include:
 - a. Choice to enter voluntary Advisory

- 12.15.4 If the matter is not resolved to the satisfaction of all parties at the meeting, the complainant may be requested by either the unit member or the principal or immediate supervisor to place the complaint in writing. The unit member shall be given a copy of the complaint.
- 12.15.5 If a written complaint is received, the immediate supervisor or the Assistant Superintendent of Human Resources shall investigate the accuracy of facts alleged in any complaint. If the facts are substantiated through such

investigation, written information may be placed in the unit member's personnel file. The unit member shall have a right to attach a written response to such written information.

12.15.6 The above procedure presumes that any written complaint is preceded by an oral complaint. In the event that the initial complaint is a written complaint, the parties shall proceed, nonetheless, in accordance with the procedures of this section governing notification, meetings, investigations and placement of materials in the personnel file.

GRIEVANCE PROCEDURE

13.1 **Definitions**

- a. "Grievance" a written allegation by one or more members of the unit or the Association that there has been a violation, misapplication, or misinterpretation of one or more provisions of this Agreement which personally and adversely affects the member or members of the unit filing the grievance. Actions to change the general policies of the District, as set forth in the policy guide of the District, must be undertaken under separate legal process.
- b. "Aggrieved" a member or members of the unit or the Association asserting a grievance.
- c. "A Party in Interest" the person or persons or the Association making the claim of grievance and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- d. "Representative" a fellow employee, agent of the Exclusive Representative, or counsel as chosen by any party to the grievance procedure.

13.2 Purpose

The purpose of a grievance procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise concerning the interpretation of the terms of this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

13.3 Review Procedure

13.3.1 Level I - Principal or Immediate Supervisor (Informal Review of Potential Grievance)

- 13.3.1.1 Nothing within the grievance procedure is intended to preclude a unit member from attempting to resolve potential grievances individually with his/her principal or immediate supervisor on an informal basis.
- 13.3.1.2 All potential grievances shall first be brought to the principal or immediate supervisor for informal resolution.
- 13.3.1.3 If the unit member feels his/her relationship with the principal or immediate supervisor or the nature of the potential grievance is such that he/she cannot discuss the matter individually with that person, he/she may request that a representative be present during

the informal conference. If the unit member requests that a representative be present, the principal shall be entitled to have a representative present at the informal conference.

13.3.2 Level II - Principal or Immediate Supervisor (Formal Resolution)

- In the event the aggrieved is not satisfied with the disposition of the grievance at Level I, he/she may submit the claim as a formal grievance in writing to the principal or immediate supervisor (Appendix L). If the aggrieved has not filed a claim within ten (10) duty days after speaking with the principal informally, the grievance will be deemed to have been waived.
- Within four (4) duty days after the receipt of the formal grievance by the principal or immediate supervisor, the aggrieved shall meet with the principal or immediate supervisor in an effort to resolve the matter. The principal or immediate supervisor shall, within six (6) duty days after the conference, render his/her decision and the reasons therefor, in writing, to the aggrieved and the Assistant Superintendent of Human Resources.

13.3.3 Level III - Assistant Superintendent of Human Resources

- If the aggrieved is not satisfied with the disposition of the grievance at Level II or if no decision has been rendered within six (6) duty days after the conference with the principal or immediate supervisor, the aggrieved may forward the written grievance to the Assistant Superintendent of Human Resources within four (4) duty days after the decision at Level II or ten (10) duty days after the conference at Level II, whichever is sooner.
- Within four (4) duty days after receipt of the written grievance by the Assistant Superintendent of Human Resources, the Assistant Superintendent of Human Resources or his or her designee shall meet with the aggrieved person in an effort to resolve the matter. The Assistant Superintendent of Human Resources shall, within six (6) duty days after such meeting render his or her decision and the reasons therefor, in writing to the aggrieved and to the Superintendent.

13.3.4 Level IV - Superintendent or His or Her Designee

If the aggrieved is not satisfied with the disposition of the grievance at Level III, or no decision has been rendered within six (6) duty days after the conference with the Assistant Superintendent of Human Resources, the aggrieved may forward the written grievance to the Superintendent within three (3) duty days after the decision at Level III or within nine (9) duty days

after the conference with the Assistant Superintendent of Human Resources, whichever is sooner.

Within six (6) duty days after receipt of the written grievance by the Superintendent, the Superintendent or his/her designee shall meet with the aggrieved in an effort to resolve the matter. Within seven (7) duty days after the conference with the aggrieved, the Superintendent shall render a written decision to the aggrieved.

13.3.5 **Level V - Binding Arbitration**

13.3.5.1 **Initiation of Binding Arbitration.**

If the aggrieved is not satisfied with the disposition of the grievance at Level IV, or if no decision has been rendered within seven (7) duty days after the conference with the Superintendent, the aggrieved, with written consent of the Association, may forward a written request for arbitration to the California State Conciliation Service, with a copy to the Superintendent, within five (5) duty days. The request directed to the California State Conciliation Service should contain a copy of this Collective Bargaining Agreement together with copies of all grievance(s) and documentary answers involved.

13.3.5.2 **Selection of Arbitrator**

An arbitrator shall be selected by the following procedure:

- 13.3.5.2.1 The Aggrieved or his/her representative and the employer's representative shall select the arbitrator from a list of five (5) or more names selected by the California State Conciliation Service. Each party may, in turn, strike out one (1) name until only one (1) name remains. Should more than one (1) arbitrator remain acceptable to the parties, the particular arbitrator will be decided by lot.
- 13.3.5.2.2 All grievances reaching the arbitration level shall be numbered. The odd numbered grievances will give the aggrieved first right to elimination; even numbered grievances will give the employer first right to elimination.

13.3.5.3 **Conduct of Hearing**

The hearing shall proceed as follows:

- 13.3.5.3.1 The hearing shall commence at the convenience of the arbitrator, provided, however, that all sessions shall occur on normal duty days and that the first formal hearing must commence within thirty (30) days from the date of notification to the arbitrator of his/her selection, unless the parties mutually agree otherwise.
- Each party should attempt to notify the other party of witnesses to be presented during the arbitration.

13.3.5.4 **Costs**

All costs for the arbitrator, including, but not limited to, per diem, travel and subsistence expenses, and the cost of any hearing room, will be borne equally by the employer and the Association. Where each side desires a transcript, the costs of one (1) final draft for each side shall be split equally between the parties. All other costs will be borne by the party incurring them, including, but not limited to, attorney or other fees for the representative, costs of discovery, witness subpoena fees and mileage, expert's consultation and witness fees, etc. Release time for witnesses employed by the District shall be limited to that time of actual testimony at this hearing plus a reasonable period before and after the giving of testimony at this hearing.

13.3.5.5 **Powers, Duties, and Limitations upon Arbitrator**

- 13.3.5.5.1 The arbitrator is limited to the terms of the grievance and the Collective Bargaining Agreement and shall not add to, subtract from, modify, vary, or alter the terms or conditions of this Collective Bargaining Agreement. The arbitrator shall limit his/her opinion strictly to the interpretation or application of the express provisions of this Agreement, and the arbitrator shall have no authority to interpret the provisions of local, state or federal rules, regulations, statutes, guidelines, policies, or judicial precedents.
- 13.3.5.5.2 The arbitrator is without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of or

contradictory to the terms of this Collective Bargaining Agreement.

- 13.3.5.5.3 The arbitrator shall not involve himself/herself in, consider, or hear evidence concerning the reasons or causes for dismissal or suspension. Also, the arbitrator shall not involve himself/herself in, consider, or hear evidence concerning the reasons or cause for other discipline of unit member(s) which may be outside the express provisions of this Agreement.
- 13.3.5.5.4 Any actions alleged to constitute a grievance which occurred prior to the effective date of this Collective Bargaining Agreement or which occur after the expiration date of this Collective Bargaining Agreement, shall not be subject to nor within the scope of arbitration.
- 13.3.5.5.5 No arbitration shall occur where another administrative, judicial or legal body, tribunal, agency, or forum exists which may or could have resolved the allegations contained within this grievance, including, by way of example and not by way of limitation, the Fair Employment Practices Commission, the Equal Employment Opportunity Commission, and a Commission on Professional Competence.

13.3.5.6 Form and Time of Decision

- 13.3.5.6.1 The arbitrator shall render a written opinion and mail that opinion directly to each party within thirty (30) days from the close of the record or as mutually extended by the parties. The written opinion will set forth the arbitrator's findings of fact, reasoning, and conclusions on all the questions submitted to the arbitrator the decision of which are necessary in order to determine the interpretation or application of this Collective **Bargaining** Agreement's express provisions.
- 13.3.5.6.2 The arbitrator may, upon written application of a party to the arbitration made not later than ten (10) days after receipt of a copy of the award, correct the award because there was an evident miscalculation of figures or the award is imperfect in a matter of

form not affecting the merits of the controversy. The party requesting correction shall mail a copy of the request to each other party, with the other party possessing five (5) days from its receipt to respond. The arbitrator shall possess thirty (30) days thereafter to make such corrections, if desired.

13.4 General Provisions

- No grievance shall be recognized unless it shall have been presented at the appropriate level within twenty (20) duty days after the aggrieved knew or reasonably should have known of the alleged violation, misapplication, or misinterpretation of the Agreement that forms the basis of the grievance.
- Since it is important that grievances be processed as rapidly as possible, the time table specified at each level should be considered as a maximum and every effort should be made to expedite the process. Time limits may, however, be extended by mutual agreement.
- In the event a grievance is filed at such time that it cannot be processed through all the levels of the grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in irreparable harm to any party in interest, the time limits set forth herein will be reduced with the mutual agreement of the parties so that the procedure may be completed prior to the end of the school year, or as soon thereafter as is practicable.
- The aggrieved may have not more than two (2) representatives present at all formal levels of the grievance procedure.
- 13.4.5 The reviewing party at each formal level of the grievance procedure may have not more than two (2) representatives present.
- 13.4.6 If the Exclusive Representative does not represent the aggrieved, the Exclusive Representative shall have the right to be informed of the proposed resolution at all levels of the grievance process, and the Exclusive Representative shall have the right to present its view at each level of the grievance procedure prior to management's resolution. In such cases, time limits for processing the grievance shall be extended.
- No resolution of a grievance shall be inconsistent with the provisions of this Agreement.
- 13.4.8 All documents, communications, and records dealing with the processing of the grievance will be filed in a separate grievance file and will not be kept in the personnel file of the aggrieved.

- 13.4.9 Forms for filing grievances will be prepared jointly by the Superintendent and the Exclusive Representative. Copies will be available in each principal's office, the District office, and the Exclusive Representative's office.
- Release time shall be provided as needed for the aggrieved and for a representative of the aggrieved to participate in any conference required by the grievance procedure.
- 13.4.11 If a grievance arises from the alleged violation, misapplication, or misinterpretation of the Agreement by an administrator other than the principal or immediate supervisor, the grievance shall be filed initially with such administrator.
- No reprisal shall be taken against any unit member or administrator because of his/her participation in the grievance process.
- The Superintendent, or his/her designee, and the Exclusive Representative agree to make available to all in interest all pertinent information not privileged under law which is relevant to the issues raised in the grievance.
- Any grievance not appealed to the next level of the procedure within the prescribed time limits shall be considered settled on the basis of the answer given at the preceding level. If a decision is not given to the aggrieved within the time limit, an appeal may be taken to the next level.

PART-TIME EMPLOYMENT WITH FULL RETIREMENT CREDIT

- A unit member may request a reduced work load with full retirement credit. The Board shall review the needs of the District and may grant reduced work load provided that the appropriate vacancies exist and subject to the following conditions:

 - 14.1.2 The unit member shall have attained age fifty-five (55) prior to the reduction of the work load under the plan and prior to the beginning of a school year.
 - 14.1.3 The unit member may participate in the program for not more than ten (10) years. The unit member shall agree to retire at the end of this period.
 - 14.1.4 The unit member shall have completed ten (10) years of active service employed in the District under the provisions of the State Teachers' Retirement System of which five (5) years immediately preceding reduced service shall have been full-time.
 - 14.1.5 The unit member shall not have had a break in service during the five (5) years immediately preceding the reduction in work load. For purposes of this section, sabbaticals and other approved leaves of absence shall not constitute a break in service.
 - 14.1.6 The unit member shall make contributions to the Retirement System as though he were working full-time and receiving full salary.
 - 14.1.7 The unit member shall be paid a salary which is the pro rata share of the salary he would be earning had he not elected to exercise the option of part-time employment, but shall retain all other rights and benefits for which he makes payments that would be required if he remains in full-time employment.
 - The unit member shall receive full District benefits for health and welfare benefits as though rendering full-time service.
 - Reduced service shall be based on a full school year and the minimum compensation paid for time worked must be equal to no less than one-half (½) time. The reduced service shall be on a daily schedule, all contributions must be paid monthly to the State Teachers' Retirement System.

- 15.3 As soon as possible, unit members should be notified of acceptance into the job sharing program. Acceptance of unit members into the job sharing program shall be at the discretion of the Superintendent. Existing job sharing positions shall be subject to annual review by the Principal. Should a unit member's request for job sharing be denied, the Superintendent, upon request, shall provide written reasons therefore.
- 15.4 Following approval of the job sharing proposals by the Superintendent, job sharers shall meet with the principal of the proposed job sharing site. At this meeting the job sharers shall present and discuss their plan of how they intend to allocate and/or divide their responsibilities as they relate to parent-teacher conferences, yearly and daily instructional plans, scheduling of adequate contract time between the job sharers to ensure continuity of the program, and duties specified in Section 6.22 of the Agreement.
- 15.5 In considering the acceptance of the job sharer's plan, the principal shall use, but is not limited to, the following criteria: prior performance evaluations, number of job shared positions at site, and compatibility of job sharer's philosophies of education and discipline.
 - If the principal decides against the job sharers' plan, he/she shall give such reasons verbally to the unit members at the meeting and will reduce said reasons to writing if requested.
- <u>15.6</u> Periodically, with adequate prior notice, the principal may require the job sharers to meet and discuss their program and its continuity.

be secured from outside the District. Such request will be considered by the Assistant Superintendent of Human Resources and may be granted at the discretion of the Superintendent. Periodically, with adequate prior notice, the principal may require the job sharers to meet and discuss their program and its continuity.

- 15.14 A participating unit member will receive credit each year for one (1) full year's advancement on the salary schedule when such unit member is on duty for seventy-five (75%) percent of the total number of days in which the schools of the District are in regular session. Effective July 1, 1983, job sharers who do not work seventy-five (75%) of the total number of days in which the schools of the District are in regular session shall be granted one (1) year's salary advancement for each two (2) full years of service as a job sharer. Notwithstanding, Section 7.1, unit members sharing a position shall receive fifty (50%) percent of the annual District contribution for the health and welfare benefit package or may split one benefit package, subject to the approval of the District's health and welfare benefit carriers.
- 15.15 The District's commitment to the unit member electing to work one-half (½) time in job sharing will be for one-half (½) time employment in the future. However, job sharers shall have priority for full-time employment over temporary or substitute employees.
- 15.16 If the job sharer desires to increase from part-time to full-time employment, such increase shall depend upon the staffing needs of the District and the unit member's qualifications. In the event that a job sharer requests to return to a full-time teaching assignment, the District shall consider such requests in the same manner as it considers requests for voluntary transfers.
- 15.17 A request to return to a full-time assignment must be submitted to the Human Resources Office on or before March 1 of the school year preceding the school year in which the full-time assignment would take place.

"Asynchronous instruction" means instruction or learning that does not occur in real time (live), including self-guided instructional lessons/activities/modules, pre-recorded lessons, discussion forums and online collaboration/chats that do not happen live.

The District shall provide Virtual Academy (VA) teachers with the necessary digital learning platforms and the software to assist with monitoring and recording of student engagement.

In most cases synchronous instruction will not be delivered to students in-person; however, unit members assigned to the VA, will be onsite twice monthly (usually during the 2nd and 4th week of the month, as determined by VA principal in collaboration with staff) during the workday, to provide in-person academic support and related services for VA students. The District will provide reasonable advance notice to any teacher required to report to campus for any other reason. The District recognizes VA teachers establish meetings and schedules with students and families which may be difficult to reschedule on short notice. In these cases, the VA principal and unit member will agree on an alternative.

VA teachers shall determine the time value of assignments pursuant to California Education Code.

Daily Instructional Minutes By Grade are as follows:

Grade Span	All students will receive synchronous instruction as set forth below.	Additional synchronous instruction will be provided as follows:	Each student will receive total instructional minutes (synchronous and asynchronous combined) as follows:
1st – 2nd grade	At least 60 minutes Daily	At least 120 minutes Daily	280 Minutes Daily
3rd grade	At least 60 minutes Daily	At least 150 minutes Daily	280 Minutes Daily
4-6th grade	At least 60 minutes Weekly	At least 240 minutes Daily	300 Minutes Daily

Unit Member Work Day:

The length of the regular contractual work day shall remain in effect for unit members assigned to the VA. VA unit members shall be on duty and available during their regular work hours and work days. Teachers will provide synchronous instruction to students based on grade level minutes set forth for Virtual Academy above. During this time, some students may be working asynchronously/independently while others are working directly with the teacher and/or their peers.

The work day will include the following individual components:

- a. The daily instructional minutes requirements outlined for Virtual Academy above.
- b. 45 minutes duty-free lunch
- c. The remainder of the workday will be dedicated to student and family re-engagement, planning, preparation, feedback to students; monitoring progress, and record keeping as necessitated by the independent study program requirements, to be determined at the member's discretion.
- d. Daily lessons, assessments, and instructional methodologies used shall be at the discretion of the teacher, provided that they adhere to District adopted curriculum, and all independent study instructional minute requirements as required by law, and as set forth in this MOU.

This Memorandum of Understanding resolves known negotiable effects related to the Virtual Academy; however, in the event of new guidance or mandates from any state or federal agency

that materially impact the terms of this agreement, either party may choose to negotiate applicable effects within scope.

The terms and conditions set forth in this MOU shall be subject to the terms of Article 13, Grievance Procedure, as outlined in the parties collective bargaining agreement. All provisions of the Collective Bargaining Agreement not specifically addressed in this MOU remain in full effect.

This MOU shall expire in full without precedent on June 30, 2024 unless extended by mutual written agreement of the Parties.

MEMORANDUM OF UNDERSTANDING BETWEEN SOUTHWEST TEACHERS ASSOCIATION and SOUTH BAY UNION SCHOOL DISTRICT

REGARDING Universal Transitional Kindergarten

May 26, 2023

This Memorandum of Understanding is agreed between the South Bay Union School District ("District") and the Southwest Teachers Association ("SWTA"), collectively referred to hereinafter as "the parties", concerning the negotiable impacts and effects regarding Transitional Kindergarten (TK) for the 2023-2024 school year.

1. Class size:

The parties recognize Transitional Kindergarten students have unique developmental and learning needs that require special consideration when designing the TK program. As such the District will ensure the following:

- A. Transitional Kindergarten classes will be 24:1 (students to teacher) and 12:1 (child to adult) ratio. The District will ensure necessary staffing to maintain ratio compliance.
- B. In the event more than two (2) TK students are mainstreamed into a particular classroom at a particular time, the District will provide an additional aide for the duration of the mainstreaming.
- C. Transitional kindergarten is a self-contained program; there will be no TK combination classes, excluding special education classroom setting. If enrollment in TK necessitates a special education combination class, the grade span of the combination class will be limited to TK-K.
- D. The District and SWTA have a shared interest in balancing grade level spans and providing appropriate staffing support and site options to further the best interest of students and staff. Urgent concerns related to these issues should be shared with the Executive Director of Human Resources by either SWTA President and/or Bargaining Chair for immediate consideration. Before fall break, SBUSD and SWTA Bargaining teams will meet to continue negotiations regarding self contained combination classes containing TK students.

2. Preparation time:

- A. Transitional Kindergarten teachers are entitled to prep time and collaboration time equivalent to other grade levels at the site.
- B. Transitional Kindergarten teachers shall have the opportunity during PLC time to travel to a different site to collaborate with other UTK teachers.

3. Transfer:

- A. Any SBUSD preschool teacher eligible to teach TK will have all Transfer rights as outlined in Article 9, Transfer and Reassignment.
- 4. Early Childhood Education Teacher to Credentialed Teacher (TK-12) Pipeline:
 - A. SBUSD and SWTA will continue to consult and/or negotiate regarding a credentialing pathway for current unit members to be eligible to teach Transitional Kindergarten.

5. Other provisions:

A. Unit members are not responsible for the toileting or diapering needs of students. B. The parties agree universal TK is a new program and, as such, some negotiable impacts and effects of TK expansion are unknown. As such, either party may reopen this MOU after providing appropriate notice. SWTA and the District shall continue to consult over the TK program pursuant to Article 5.5, Consultation and Representation.

All provisions of the current agreement between SWTA and SBUSD remain in full effect unless otherwise stated in this MOU. It is agreed and understood that this agreement is subject to the approval of SWTA and the SBUSD Governing Board.

This MOU expires on June 30, 2024.
