

Dear SWTA Members,

I hope you have been practicing social distancing, and keeping yourself and your family healthy.

I want to start by thanking our Executive Director, Helen Farias, for her tireless work. She has been working all weekend with National City Educators Association, Chula Vista Educators and SWTA to keep us up to date.

In an effort to advocate for ALL our members, we have submitted a Cease and Desist letter to the district as they are requiring the nurses to report to work. Additionally, we want to exercise our rights under the EERA and have submitted a demand to bargain letter. We want to bargain and/or consult over the impacts and effects of the ongoing coronavirus (COVID-19) outbreak and any related plans or actions the District may have or take regarding that outbreak and/or related events. As of right now we have not heard back from the district on either matter.

Your SWTA Executive Team is appalled by the lack of communication on behalf of the District towards parents and the community. In an effort to inform parents/community members about the meals that will be provided for students, yesterday, SWTA created the flyer below. If you have not already done so, please share with your parents/families. Please be on the look out for future updates.

United We Stand,
Vanessa Barrera
SWTA, Presidents
