Location:

Give Hope empowers and supports guests at Van Buren. 100% of the funds raised for Give Hope go towards eliminating barriers and helping the women and families currently at Van Buren get housed sooner. The Give Hope Fundraising Campaign started in 2018 and was created by YMCA Housing and Shelter's board member and previous board chair Joshua Zimmerman.

Each night, the Van Buren Center provides emergency shelter to over 800 individuals. For so many, what stands in their way to securing housing is an outstanding utility bill, a rent deposit, the first month's rent, or simply needing a birth certificate or ID. With **Give Hope** funds we are able to provide immediate assistance to individuals and families to shorten their stay and lessen the trauma they experience being in a shelter.

COMMUNITY SPOTLIGHT

CoverMyMeds

Welcome Home Baskets and Blanket Mending

Earlier this month we hosted a team from CoverMyMeds for a corporate group volunteer event. They assembled **50 Welcome Home Baskets** for guests to receive when they move out of the shelter and into their new homes. In addition, they helped complete our blanket mending project and repaired over half a dozen blankets for our shelter guests.

We are always excited to welcome new corporate groups and the opportunity to share the work we do and spread awareness in the community. If you are looking for a group volunteer activity we would love to connect with you! Email vbvolunteer@ymcacolumbus.org for more information.

Dublin Family Medicine Ohio Health

Community Garden Care and Commitment

It has been an incredible growing season for the Van Buren Community Garden! We are so grateful to the **Dublin Family Medicine Ohio Health** team for their commitment to supporting our garden this year. The **Dublin Family Medicine Ohio Health** team donated weed barriers and mulch for the garden pathways and sent a team to install and complete the work at the beginning of the month. During this growing season, they volunteered in our garden on 3 separate occasions making an incredible impact each time they were here. While they were here this month the volunteers also harvested a huge crate of vegetables from our garden including carrots, tomatoes, banana peppers, and sweet potatoes. These vegetables are cleaned and prepped in our kitchen and then used in the

meals we serve to our guests at the shelter!

As the season comes to an end we would like to extend a heartfelt thank you to all of our volunteers and donors who contributed to our garden this year.

Brandi N Milbry Foundation

September Birthday Celebration

The **Brandi N Milbry Foundation** made their monthly visit to Van Buren Center to drop off birthday gifts for our children. There were **19 children** with birthdays this month at Van Buren. We are so grateful to the foundation for their continued support and efforts to celebrate our children and make sure they feel loved on their special day. Consider helping support our birthday celebration for the children by donating.

Let's bring happiness to every child's heart this holiday season.

Share the love with those who need it most. Each year, the Van Buren Center strives to spread joy and bring happiness to our families, women, and men in shelter. For our guests who are faced with spending the holidays in a shelter, there can be few reasons to smile or feel joy. This is where we need your help.

Our mission is to ensure that we continue to provide our families, women, and men at Van Buren with a memorable and magical holiday. Where they know that they are loved and valued by their community

because they are surrounded by people who care about them. The real joy of giving is giving to someone who can't repay you.

This month, we are kicking off our holiday toy drive for **Santa's Workshop**. Next month, we will release our December holiday volunteer opportunities and open up volunteer sign-ups. If you are interested in hosting a toy drive for Santa's Workshop for our family shelter we would love to connect with you to partner.
