Ohio Health Volunteer Event

Ohio Health partnered with Van Buren Center to bring together a group of almost 30 medical affiliates from different hospitals across Central Ohio on July 20th. The Van Buren Center is so grateful for the efforts of the volunteers. Together they were able to help out our kitchen with dinner service, meal prep, and additionally donation sorting and organizing. The volunteers' hard work has made an incredible impact and we look forward to hosting them again in future volunteer opportunities!

UPS Hiring Event Spotlight

Last week, Van Buren Center partnered with UPS to host an onsite hiring event. We had some pretty incredible outcomes for our guests at Van Buren.

20 guests attended the event and 9 applied and were offered employment on the spot! The representatives Jason and Kenneth who came out from UPS worked with each guest one-on-one to assist them with the application process and stayed over to make sure everyone that wanted to apply had the chance and opportunity to get help. The time and attention that they gave each individual in completing their application truly showed how much they care and want to help.

We are so grateful to UPS for their efforts and hard work to help our guests at Van Buren secure employment.
