Overview

Advisory Bodies are commissions, committees, and boards consisting of community members appointed by the City Council to review and make recommendations on matters within a certain purview. These bodies report directly to the City Council and receive support from assigned City staff.

The City of Solvang has three Advisory Bodies which hold public meetings that serve as a community forum on the matters assigned to the body, provide feedback to Staff on technical matters, and make recommendations to the Council on certain policy issues.

These bodies are subject to the Brown Act and their members are subject to state-mandated training requirements including ethics and harassment prevention. All bodies are subject to the City's Code of Ethics and portions of the Political Reform Act, and must file "Form 700" statements of financial interest.

DID YOU KNOW??

...that our legislators Bennett and Lemon voted FOR Doctors loosing their *everything* if they advise their patient differently than the CDC narrative Bill AB2098?

...that Santa Barbara County's *every* tax/bond pass on the ballot except Guadalupe?

...that our Congressman *Carbajal* has voted FOR every \$93.3B sent to Ukraine let alone every pro war decision ...exactly the way Pelosi votes, every time.

...that most Democrats are pro World Economic Forum, WEF aka globalism aka one world order, and in favor of Agenda 2030 (research that!) Most people don't know what it is.
