

We are a group of patriotic men and women in the Santa Ynez Valley who have banded together to address local issues of concern, but not limited to, and to support conservative candidates who will restore virtue, ethics, and common sense to public service.
We cherish the Constitution of the United States and are God-centered.

The Board will be considering a Parent Bill of Rights
Read the proposed draft HERE

Please come out to support this dedicated group of parents trying to bring transparency and accountability back in to school administration.

We will be sending out a call to action to all local schools to adopt a Parents Bill of Rights.

We are adamantly opposed because it has been brought to our attention that the lesson plans and language of Advocates for Youth are greatly indicative of "grooming".
