PARENTS PAY ATTENTION!!

GET INVOLVED

Our high school PTSA Board has been taken over by a group of community activists. Many do not have kids or grandkids in the district and never have. Please watch the current PTSA Board President as she addresses the October School Board meeting. Her comments leave us wondering what positive influence this leadership will have for our kids.

HERE

(safe to download)

We can sit back and watch no longer! PARENTS must get involved and support the teachers and administration so they can focus on our students' academic and career skills.

Want to get involved? Become a member and influence the group for good!

A flyer for the SYVUHS-PTSA Association Meeting. The flyer features a decorative border with autumn leaves, pumpkins, and acorns. At the top, there are three small graphics: a 'RAFFLE!' sign, the PTSA logo, and a 'WIN PRIZES!' sign. The main text reads: 'SYVUHS-PTSA Association Meeting', 'GOODIE BAGS, MUSIC, FUN AND GIFT CARD GIVEAWAY!', 'November 20, 2023', 'Meeting starts at 6pm', 'Come before for fun!', 'Craft House at Corque', 'The Ballroom', and '420 Alisal Rd, Solvang CA 93463'.

We MUST defeat both of these initiatives to save Prop 13 in 2024!

- Politicians are trying to confuse voters by placing two initiatives on the ballot that would both gut prop 13 and make it easier to raise state and local taxes, as well as increase your utility rates;
- ACA-1 would gut Prop 13's 2/3 vote requirement for new taxes by lowering it to 55%;
- ACA-13 would gut Prop 13 by blocking the California Taxpayer Protection Initiative and eliminating the requirement that voters be allowed to vote on tax increases with honest ballot titles;

- Fighting to deny parents the right to protect their vulnerable children.
- Fighting to force our daughters to share intimate facilities with biological men and preventing them from engaging in fair competition in sports.
- HE VOTED FOR HR734!! (Protection of Women and girls in Sports Act of 2023 which keeps trans men competing against women in school sports)
- Fighting to keep pornography in middle school libraries.

THE FUND FOR SANTA BARBARA

What is their mission and why should you care!!?

THEY SAY...

"Advancing progressive change by strengthening movements for Economic, Environmental, Political, Racial, and Social Justice."

"We understand the importance of providing seed funding to projects that might be considered too risky by other funders, yet necessary to the creation of more just and equitable communities. We are the only foundation in the Central Coast Region that provides funding to non-501(c)3 groups and organizations."

"We fund projects with a strong social change component. We define social change as change that addresses the systemic, root causes of social (economic, environmental, political, racial) inequities in an effort to alleviate those inequities and underlying conditions and circumstances that enable and sustain them."

WE CARE ABOUT THIS BECAUSE...

Our local connection to the FUND is board member Arcelia Secion who is the wife of Jose Juan Ibarra who serves as a Santa Ynez High School Board Member.

connect the dots... see below

...From Andy Caldwell of COLAB:

"County supervisors are IN BED WITH Climate Justice and Farm Labor Organizers...

Our woke supervisors, unanimously, I might add, are on course to spend upwards of \$1 million dollars in order to affect the culture, policy, and systems change necessary to advance racial equity and justice, and *reverse* "the legacy of slavery" and effects of racism in Santa Barbara County. This woke expenditure is a ridiculous waste of money considering the fact that California was admitted into the Union in 1850 as a free state.

What organization are they using to bring about these changes?

AHA

**aka...Attitudes Harmony Achievement
aka...Wolf in Sheep's Clothing!!!**

WHAT IS THEIR MISSION AND WHY SHOULD YOU CARE???

They say...

"AHA! equips teenagers, educators, and parents with social and emotional intelligence to dismantle apathy, prevent despair, and interrupt hate-based behavior."

READ

WE CARE ABOUT THIS BECAUSE...

AHA is working on school campuses across the county and has been influencing students on our Santa Ynez High School campus.
