**Attention Parents and Grandparents!**  
Are you wondering how you can help public school students?

Simply volunteer! Contact the school office where your child(ren) or grandchildren go to school and volunteer to work in a classroom a few times a month. We need patriotic, Constitution loving people to offer their wisdom when helping kids read or do math or just talk with kids and pass on real American values like the importance of freedom and limited government.

OR

Volunteer to serve on a school board.

There will be positions open at every school district in the Valley this November. Please reach out to us if you might be interested in serving.

## IMPORTANT FOLLOW UP TO ONE OF OUR VOTER REGISTRATION QUESTIONS

We had a lot of questions this cycle about the "No Party Preference" issue.

**This question was asked to the County Elections office:**

"I had a question on the NPP ballots. Some people who have been Republicans or Democrats for years got NPP in their mail in ballots. What happened with that?"

**This was the answer given by the County Elections office:**

"There is the Motor Voter Program through the DMV. That means that when a person visits the DMV they will be registered automatically unless the person opts out. When the person answers are you a US Citizen, there is *fine print* that this is to update their voter record. *If the person does not read that information, then their registration record gets updated. If they did not choose a party affiliation at that time, then they are considered a No Party Preference voter because they failed to disclose that information.*

Also, when a person fills out a paper registration form and they forget to answer the question and they are considered a No Party Preference voter. We send a Voter Notification Card to the voter notifying them of this change.

It is the voter's responsibility to question why they got a different ballot than the party they were previously registered with. To change their party affiliation they need to re-register. They need to contact our office immediately after receiving the County Voter Information Guide or the ballot."

**NEVER**  
let Gavin Newsom  
anywhere near the  
White House.

KEEP GAVIN AWAY FROM WASHINGTON

We're all pretty united on that front. Not one of us wants to see Newsom sitting in the Oval Office, especially after he:

- ✗ Wined and dined with friends while he locked down every other Californian
- ✗ Forced schools and businesses to close
- ✗ Ran the once Golden State into a deficit
- ✗ Provided in-state tuition to illegal aliens
- ✗ Claimed California is the "model" for dealing with illegal immigration
- ✗ Turned a blind eye to smash-and-grab crimes
- ✗ Failed to solve the homeless crisis 10 years after he said he'd fix the issue

## REPEAL OF PROP. 47

by Kevin Kiley  
California Congressman

"Please support the REPEAL of Prop. 47. The initiative's official title is *The Homelessness, Drug Addiction, and Retail Theft Reduction Act*.

Prop. 47 has been a key factor in rising crime in California. This initiative to repeal its worst provisions is a golden opportunity to start turning our state around. A total of 546,000 signatures are needed by April 23 to qualify the initiative, and we've already collected close to 300,000.

If you or you know someone who would like to sign the petition please enter your address at: [CapitolQuagmire.com/Prop47](http://CapitolQuagmire.com/Prop47).

If we succeed in getting the needed signatures, it will receive a Yes-or-No vote on the November ballot, and I am very confident it will pass.

Thank you for supporting this vital measure. Every signature gets us closer to making crime illegal again in California."

## NATIONAL EFFORTS

We support the Constitution and believe all candidates that are eligible and have legally filed should have the opportunity to be on the ballot.

There has been a lot of effort put into not allowing President Trump or Robert

F. Kennedy JR to be on the ballot.

It is critical we do not lose the opportunity for freedom of choice
