The Washington DC Modernism Show moves back to its usual Spring dates but will remain a virtual show in 2021 in partnership with Ruby Lane. Although there is light at the end of the tunnel with the rollout of Covid-19 vaccines, it appears unlikely that enough people will be vaccinated by the end of April to permit the resumption of the live show at the George Washington Masonic National Memorial at this time.

ADSW remains committed to holding future events at the Memorial.

Among the planned changes are

- an extra day of shopping (the show now opens Friday)
- a later start (8AM Pacific, 11AM Eastern) for Early Buyers to accommodate West Coast buyers
- a later end (Midnight Pacific time on the 25th) to give West Coast buyers a full day of shopping on Sunday
- a simplified registration process for Early Buyers

Details about the 2021 show, including registrations for

- dealers
- advertisers/sponsors
- early buyers are now open
