

George Washington Junior High School

Original Name: George Washington High School

Address: 1005 Mt. Vernon Avenue
Alexandria, Virginia 22301

Architect(s): Raymond V. Long (Virginia State School Division)

Year Of Construction: 1935

Current Status: Middle School

Original Use: High School

We might say that this is a typical public works building-- monumental, but with up-to-date ornament, as well as function. The primary embellishments are the fluted piers at the central entrance to the building that rise above the roof and become stepped rounded fins. The shop building is also noticeable for its stylish sign, which may have been installed later but very much invokes the Art Deco-era spirit of the complex.
