

JENNY'S STEAK HOUSE

What's in our name?

We are often asked Why Jenny's?

Jenny's was the name that stood out.

Carl and Gina's beautiful daughter is Jennifer.

One of our oldest and dearest customer's name was Jenny
(she was 100 and still came every day)

And our number 1 menu item is our tender Jenny's Filet.

Thank you for your support through our 20 years!

We wish you and yours good health and much happiness!
