VOLUNTEER – Pat T

Mt Gilead & Marion Sew Day

Several people are to thank for teaching and inspiring Pat to sew. Her mom, her grandmother who was a professional furrier, a girlfriend and her mom. Seems she picked up on the art just from watching them all.

Pat herself constructed a lot of clothing and home décor items, it wasn't until she took a little course on quilting from a friend and co-worker that she began quilting, starting with small items like placemats and wall hangings.

Like the majority of our volunteers Pat is retired. She was a nurse, working as a Health Commissioner and also nursing with Hospice.

Sewing keeps her busy-she makes, bags, purses, cat toys and cage pads for cat shelters, and minky sewing. But that's not all that fills her calendar. Pat plays euphonium tuba, enjoys getting outdoors to do her gardening, kayaking and hiking.

What is it about Snuggled in Hope Quilts that Pat likes? Getting to make lots of tops, meeting new people, seeing great new ideas and what we put together. She likes to sew and likes that she is able to participate to sew for others.

We couldn't agree more, Pat!
