## **VOLUNTEER – Sheila H** **Marion Sew Day**

We can thank another mom for teaching her children to sew when they were young - both the girls and the boys in Sheila's family learned and of course she had to experience the obligatory needle through the finger--OUCH!! She also learned to hand embroider.

She shared a yet vivid memory of making a dress for herself out of red and white polka dot curtain material. During her school years, she took Home Ec. classes and made many of her own clothes.

Her first "real" job was sewing at a shoe factory. For many years Sheila didn't sew. She moved from Illinois to Missouri and then finally to Ohio where she set up a sewing room.

She learned of Snuggled in a newspaper article written about a former camper at Flying Horse Farms and pursued finding out more. Through contacting Kyle, she managed to work and make things for us, and at the time would mail them to Kyle.

Now retired for the past 3 years as an Office Manager of 13 years, Sheila started coming in person to our Marion sewing days post-COVID. Sheila has been very productive as one of our long-arm quilters for the past 2 years, naming Kyle as her inspiration.

For Sheila, the comradery and meeting with others, who focus on making quilts and other items for kids is what pulls her back each month.

**THANKS SO VERY MUCH**  
**for your many contributions to**
