I have been part of Snuggled since it was a Girl Scout Gold Project, then when Morrow County Quilt Guild took it over and continued when it became its own entity.

I love the mission, the comraderies and seeing all the quilts. This organizations takes scraps and turns them into hugs! I am definitely a scrap quilter! I prefer to do patterns with small to medium size pieces.

You will find me at the tie table in Mt Gilead and usually in the kitchen or cutting in Marion.

I try to sew or cut every day, and I love to hand quilt. I make many quilts for family and friends for their milestones I am lucky to have been married to Mike for 43 years, am mom to 4 and am blessed to have 5 grand babies from preschool to college, and one on the way.

I retired from teaching during covid, which leaves more time in my sewing room!

**My motto is, you can't out
give God, and my blessings reflect that.**
