VOLUNTEER – SUSAN E

Susan E. started quilting in 1987 but before that she was a seamstress. As a newly married couple, her mother-in-law handed over the task of making her son, now Susan's husband, short sleeved flannel shirts as these are what he liked to wear. (Of course, these are not available in stores.) Thus, the first big appliance purchase for the newlyweds was a Kenmore sewing machine!

Susan belongs to several quilt guilds namely, Westerville Quilt Guild, Findley Ohio Stars, and the first guild she joined, Black Swamp Quilters of Wood County.

She enjoys attending quilt retreats (several a year). Prior to COVID she had presented 142 talks on Tips and Tricks, especially on how to enlarge or reduce a pattern.

As Susan is an accountant with a love for math, she can figure out the scary part of math when changing the size of a quilt. Another program centers around the Indian Hatchet Block.

Like many of us Susan has a STASH.

Thank you, Susan, for your skills, knowledge, and many contributions to Snuggled in Hope Quilts
