VOLUNTEER – JOYCE

Milan Sew Day

Just like a lot of us, as a young girl, Joyce followed her mom around as she was sewing, picking up scraps and pieces of cloth to play with and make things for her dolls. She enjoyed sewing but it didn't fit into her busy schedule as a working-outside-the-home mom, raising and keeping up with her 4 children, alongside her husband of 50 years. 4 grandkids are now part of her family, too.

She retired once but Joyce is back working again, part-time, as an aide in a dentist office.

Quilting is her favorite type of sewing and her new strip-ology ruler is her favorite tool. Yard work is another hobby that keeps Joyce active.

When she heard about Snuggled in Hope Quilts through Sarena at the Milan quilt guild, it was something she decided she wanted to be part of.

"I enjoy the time together with the other volunteers that attend. But mostly that I am making something for kids, and that is important."

We agree, Joyce!
And THANKS SO VERY MUCH
for your many contributions to Snuggled in Hope Quilts
