VOLUNTEER – Lisa **Mt. Gilead Sew Day**

I believe that we are led where we need to be. There is a reason for every situation and everyone that is put into your life. You must be patient to figure out why you were put on this path. What are you being taught and how can you use these experiences to help others?

I have admired Snuggled in Hope for many years. I have worked with many of the board members and leadership teams, not in a sewing capacity, but in making breakfasts at the Presbyterian Church in Mt. Gilead.

Wonderful opportunities have come my way with many different organizations. In my professional career, I was an IT Outsourcing Manager for Hewlett-Packard. This prepared me to use my IT, team and leadership skills in my volunteer service journey.

My foundation for volunteer service started in Jasper, Georgia with Pickens County Habitat for Humanity. I served on the Executive Board and was blessed to work on 5 different house builds.

Presbyterian Church of Mt. Gilead has presented me the opportunity of the Marketing and Communications Lead, Elder and member of the Missions team.

I support Dixie's Angels, the American Red Cross and the Sparrow House. I am a member of the Morrow County Historical Society and Ambassador for the Honor Flight at Home. Currently, I serve on the Executive Board of Gleaner's Chester Arbor #121, the Morrow County Park District Board and the Seniors on Center Board.

It's an honor to be a part of Snuggled in Hope and I can't wait to see how I can be of service to help the organization grow!

THANKS SO VERY MUCH
for your many contributions to
