

MY TOWN HOUSE TREE BLOCK

Size: 5½" x 7"

Making Camp
a Cozier Place!

Fabric needed for a block:

- 2 print charms
- 1 for the tree and 1 for the trunk
(Note: you can cut several trunks cut from one 5" charm square)

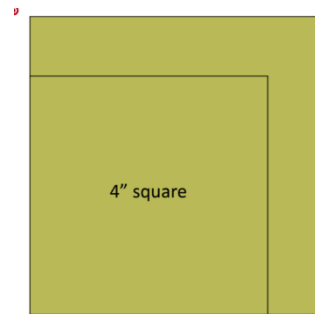

Background fabric

- Two – 2½" x 3" rectangles, One - 1" x 4" rectangles
- Two – 1¼" x 4½" rectangles

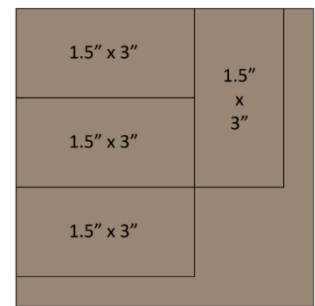

Four - 1¼" squares

Cutting:

- For the "**tree**" fabric, you will need:
 - One – 4" Square
- For the "**trunk**" fabric, you will need:
 - One – 1½" x 3" rectangle.
- If cutting from a charm square, you can get four trunks cut from one charm as shown in the cutting diagram.

Tree Cutting Diagram

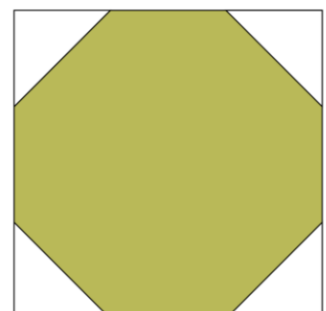

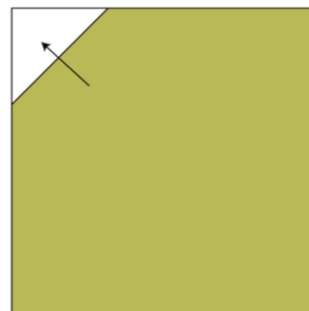

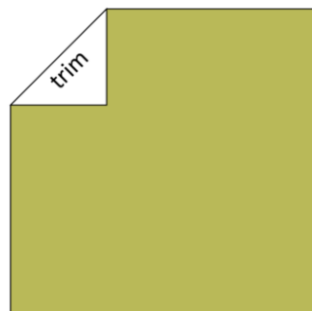

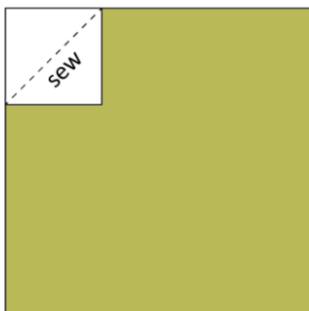

Trunk Cutting Diagram

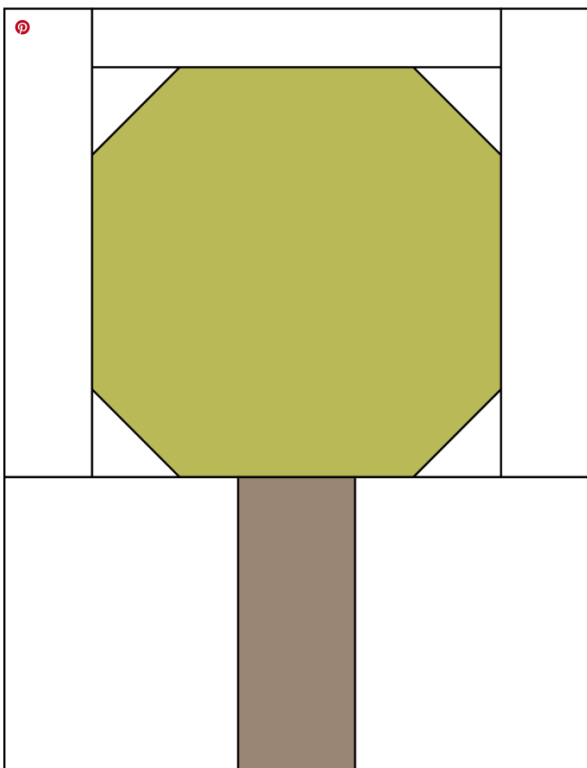

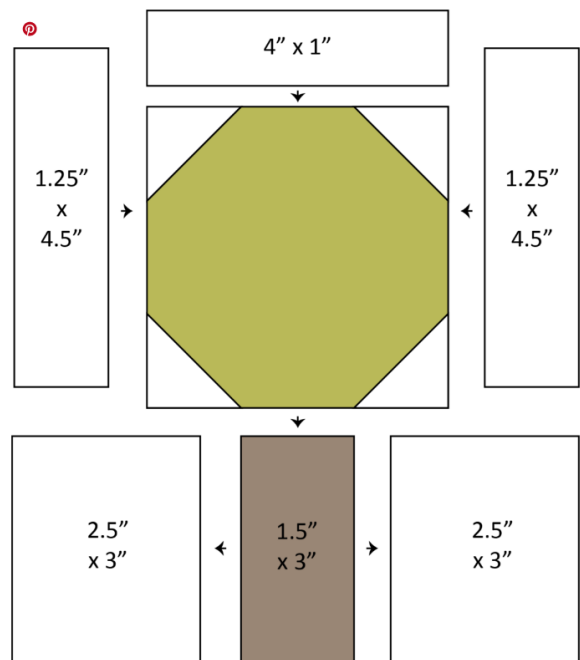

NOTE: You will notice in my blocks that I mixed up the doors and roofs in each block to make them even more scrappy

Block Assembly:

- Select your 4" tree square and four 1¼" background squares.
- Sew a 1¼" background square to the tree square as shown below, trim and press.
- Continue to sew the remaining 1¼" background squares to each of the tree corners, trim and press.

- To complete the tree, select the following:
 - One - 1" x 4" background rectangle
 - Two - 1¼" x 4½" background rectangles
 - Two - 2½" x 3" background rectangles
 - One - 1½" x 3" trunk rectangle
- Sew the 1" x 4" background rectangle to the top of the pieced tree section.
- Sew the two 1 1/4" x 4 1/2" background rectangles to each side of the pieced tree section.
- Sew the two 2 1/2" x 3" background rectangles to each side of the trunk. Sew the pieced trunk section to the bottom of the pieced tree section.
