Hello Post 25 Family,

It is time for your monthly Commanders letter.

A shoutout to Larry Gerlock who fixed the electronic scoreboard for the shuffleboard! He also sharpens all our kitchen knives. THANKS Larry for all you do!!

The Post driveway will soon have a new look! It is being sealed, the lines and curb stops will all be freshly painted. We have accepted a bid and the work should start soon.

I will have a preliminary picture of our new sign for you very soon.

International night is the 1st of September. Take a great trip to Germany with some of Chef Dewayne's outstanding menu items. Jaeger Schnitzle, Apple and Ham stuffed Chicken, Rouladen. Sides: Red Cabbage, Saurkraut, Spaetzle, German Potato Salad!!!

Shuffleboard is going well!!! If you want some laughs come on down to the Post at 1:00 on Mondays. Partners are drawn from a hat. A good time is had by all!!!

New this month is our "Did you know" column. Our Historian Joe McAlee loves digging into our Post's past. Here is this month's:

Did you know? From 1945 to 1974 our post, Post 25, was located at 105 N Main Avenue in Lake Placid, Florida. The building was constructed by Post members in 1945-1950, and it is currently occupied as a Mexican Store.

On a more somber note, 20 years ago we were attacked. We will never, ever forget. Following is just a little something to think about as you go on with your daily lives:

"On this day... 20 years (September 10th) ago, 246 people went to sleep in preparation for their morning flights. 2,606 people went to sleep in preparation for work in the morning. 343 firefighters went to sleep in preparation for their morning shift. 60 police officers went to sleep in preparation for morning patrol. 8 paramedics went to sleep in preparation for the morning shift. None of them saw past 10:00 am Sept 11, 2001. In one single moment life may never be the same. As you live and enjoy the breaths you take today and tonight before you go to sleep in preparation for your life tomorrow, kiss the ones you love, snuggle a little tighter, and never take one second of your life for granted".

Fred Pierce
