COOPERATIVE *Dynamics* WORKSHOP

November 18th, 2021

9:00am - 2:00pm

Virtual Workshop

Join us for in-depth look of how Cooperatives work, and learn more about the cooperative movement. This workshop is ideal for both board members and employees.

Workshop Information

Cooperative Dynamics is an experiential workshop that takes participants through Cooperative education. Participants discover how Cooperatives are a viable business for every industry and learn about some of the hidden values that Cooperatives offer.

This workshop features leaders from various Cooperative industries. The event program is virtual live sessions, Q&A sessions and games for all attendees with prizes! Attendees will also learn about other industries that are in the cooperative movement.

Topics include:

- Cooperative History
- Cooperative Principles
- Cooperative Business Model
- Types of Cooperative Ownership
- Cooperative Governance
- Roles of the Board, Staff and Members
- Cooperatives' Impact

Visit us at www.CCNC.coop to sponsor the event or register attendees.

Workshop Presenters

Margaret Bau, Cooperative Development Specialist for USDA Rural Development

Jeff Hardin, CUDE, Carolina's Credit Union Foundation

Emma Hayes, Director of Learning and Development for Local Government Federal Credit Union

Chad Helminak, Director of DE and Cooperative Culture, National Credit Union Foundation

Michael Youth, Government and Regulatory Affairs Counsel, North Carolina's Electric Cooperatives.

Registration is open online: www.CCNC.coop
The first 60 registered attendees will receive a "Co-op box" which will include all educational materials and co-op goodies!
