

ENGAGE, CONNECT, ADAPT: EQUIPPING YOUR WORKFORCE TO THRIVE

An Everything DiSC® Virtual Showcase

As the effects of COVID-19 have shifted from momentary disruption to long-term impact, organizations around the world are faced with a new and complex challenge: **How do you enhance your workforce's ability to engage, collaborate, and adapt in this volatile and uncertain reality?**

Introducing a new way to keep your people connected: Everything DiSC® on Catalyst™.

Everything DiSC® on Catalyst™ is a personal development learning experience that equips people with the social and emotional know-how for more effective interactions at work—no matter who or where they are. By combining DiSC® with instructor-led training and a powerful learning platform, Everything DiSC on Catalyst helps people better understand themselves, appreciate and value the differences of others, and consistently adapt to the unique needs of each person or situation they encounter. The result is lasting impact.

You're invited to the newest Everything DiSC® virtual showcase that covers everything you need to know about Everything DiSC on Catalyst.

In this 60-minute virtual showcase, participants will:

- Discover the value of strong organizational culture and its connection to success
- Explore the Everything DiSC on Catalyst learning experience
- View a live demo of the Catalyst platform
- Participate in a live Q&A with the showcase presenters

Sign up today and discover a new way to engage and connect your people...no matter where they are.
