

## AGILITY STARTS WITH DEVELOPING EQ

An Everything DiSC<sup>®</sup> Virtual Showcase

The more volatile, uncertain, complex, and ambiguous our working environments become, the more critical a truly agile workforce is to success. Each day, we're called to make progress faster, while pivoting on short notice. To stand firm in our ideas while remaining open to new perspectives. Staying agile demands that we develop and use our emotional intelligence (EQ)—a level of sophistication that's never been demanded before.

Everything DiSC<sup>®</sup> is offering a new way to support your agile workforce.

By combining the personalized insights of DiSC<sup>®</sup> with active emotional intelligence development, **Everything DiSC<sup>®</sup> Agile EQ<sup>™</sup>** teaches participants to read the emotional and interpersonal needs of a situation and respond accordingly. Participants discover an agile approach to workplace interactions and learn to navigate outside their comfort zone, empowering them meet the demands of any situation.

**You're invited to the new Everything DiSC virtual showcase featuring the highly-anticipated Everything DiSC Agile EQ training solution!**

In this 60-minute virtual showcase, participants will:

- Explore the rising need for agile organizations
- Discover the connection between agility and emotional intelligence
- Preview the new Everything DiSC Agile EQ product
