

# HELPFUL APPS

## SAFETEAM WEB APP

ZALEMO has developed safety management software and created a state-of-the-art application to help employers in any industry measure their safety performance, training needs, and even project manhours.

## WEATHER.GOV

Wherever you are, you can get the local weather forecast from the National Weather Service with one click on your home screen.

## FEMA

With the FEMA App, you can receive real-time weather and emergency alerts from the National Weather Service for up to five locations nationwide.

-  Receive alerts from the National Weather Service for up to five locations.
-  Can verify emergency, report on or confirm local disaster, and coordinate your emergency response.
-  Custom alert stations can be set by ZIP or FEMA ID number (or on the phone).
-  Dial 911 and share your location photos to help the community.
